

Texas Journal of Agriculture and Natural Resources

Volume 20

2007

CONTENTS

- Feedlot Performance and Carcass Characteristics of Feeder Lambs Implanted and Re-Implanted with Zeranol**
Authors: M.W. Salisbury, B.J. May, S.J. Talley, M.A. Carr, G.R. Engdahl . . . 1
- Use of Expected Weather Information on Dryland Wheat Production in Texas High Plains**
Authors: N. Musunuru, E. Segarra, W. Harman, S. Misra, S. Mass 7
- Feedlot Performance and Carcass Traits of Texas Rambouillet Feeder Lambs Implanted With Growth Implants**
Authors : R.Sluite, B.May, M.Salisbury, C.Scott, G.Engdahl, B.Craddock . . 22
- Food Habits of The American Badger (*Taxidea taxus*) in Southern Texas: An Observation**
Authors : D.Collins, L.Harveson, D.Ruthven 28
- Tolerance of Three Wheatgrass Cultivars to Sulfosulfuron Herbicide**
Authors : J.Sij, B.Olson, J.Ott, D. Malinowski. 32
- Profitability Analysis of a Beef Production on WW-B. Dahl (*Bothriochloa bladhii*) Pasture under Different Combinations of Irrigation and Supplement Feeding**
Authors :C.Ortega-Ochoa, C. Villalobos, C.Britton, D. Wester, D.Ethridge, D. Willis 42
- Effects of Protein And Energy Feeding On Ovine Oocyte Production And Developmental Capacity**
Authors :W.Kiker, M.Salisbury, B.May, G.Engdahl. 52
- Creating a Promotional DVD for an International Agricultural Research Center: A Delphi Study**
Authors : S. Stockard, T. Brasheart, C.Akers, C.Brooks 63
- The Effect of Protein Level On Feedlot Performance And Carcass Characteristics Of Texa Rambouillet Ewes**
Authors : N.Mendoza Jr., B.May, M.Salisbury, G. Engdahl. 75

Effects Of Varying Forage Source in a Concentrate Diet On The Metabolism And Apparent Retention of Crude Protein by Lambs	
Authors : M. McMillan, S. Jackson, S. Kelley	82
Anhydrous Ammonia Injection Into Ployethylene Silage Bags to Enhance Forage Quality Attributes	
Authors : W.Becker, B.Housewright, D.Harp, C.Bagley, M.McCormick	91
Seed Quality of Windmillgrass Ecotypes in Two Locations of South Texas	
Authors : F.Herrera-C., W.Ocuppaugh, J.A.Ortega-S., J.Lloyd-Reilly, G.Rasmussen, S.Maher.	98
Grazing Intensity and Nitrogen Fertilization to Manage Invasive Klegerg Bluestem on Pangolagrass Pastures in Northern Mexico	
Authors : J.A.Ortega-S., J.M. Avila-C, E.Gonzalez-V, M.Gonzalez-P.	109
