Click on the **Faculty Services** tab

Click on **Term Selection**

Select the appropriate term from the list

The screenshot shows a web interface with a navigation bar at the top containing 'Personal Information', 'Online Services & Financial Aid', 'Faculty Services', and 'WebTailor Administration'. Below the navigation bar is a search field with a 'Go' button. The main heading is 'Select Term'. Underneath, there is a 'Select a Term:' label followed by a dropdown menu. The dropdown menu is open, showing a list of terms: 'Fall 2009', 'Spring 2010', 'Fall 2009', 'Summer 2009', 'Spring 2009', 'Fall 2008', 'Summer 2008', and 'Spring 2008'. A 'Submit' button is located to the left of the dropdown. Below the dropdown, the text 'RELEASE: 6.1' is visible.

Click on **Faculty Detailed Schedule**

The screenshot shows the same web interface as the previous one, but the 'Faculty Services' tab is selected in the navigation bar. The main heading is 'Faculty Services'. Below the heading is a list of links: 'Student Information Menu', 'Term Selection', 'CRN Selection', 'Faculty Detail Schedule', 'Week at a Glance', 'Summary Class List', and 'Midterm Grades'. The 'Faculty Detail Schedule' link is highlighted with a red rectangular box.

There will be a link to the Evaluation Results above each class. The links are all the same. Once you click on the link you will be able to view the SurveyDig results for your classes.

Using the selection area, select what you would like to see. Remember that you cannot view any classes above our outside of what you are responsible for. Mandatory fields are: Course, Term, Output, and Records.

You can use % as a wildcard (ie: ke%)

- In the **Course** field you may enter a CRN, Course name, or a % sign to show everything.
NOTE: This field is mandatory and must have either Course information or a % sign in it.
- Select the term wished to be viewed
- Some other fields will not provide functionality at the instructor level. These include Department, Division and Professor ID. These should remain blank.
- Use the **Sort By 1** and **Sort By 2** to sort and organize the class lists
- Select the type of Output you would like from the **Output** field. This will give an overview with total enrollment verses number of evaluations taken.
 - Professor Summary – Professor level – A look at a professor’s courses summary with no regard to what department the classes are in
 - Course Summary – Course level – A look at a class’s summary with no regard to the professor teaching it
 - Detailed – This provides a table of information based on individual user’s view and gives a total summary of the evaluation questions and answers for that view.
- The **records** field determines how many classes will be returned
- Checking the **Excel** check box will create an Excel spreadsheet that you will be able to download containing the information you selected
- The check boxes to the right give more options
 - The first two show classes with / without surveys. Selecting both will return nothing.
 - The rest add or remove information in the report

After making your selections click the submit button
