**Objective:** To acquire a position as an agricultural educator

**Qualifications:**

From the very first time I stepped into an agriculturally-oriented classroom, I knew that was what I wanted to do with my life. I am a second generation educator, and have been instilled with an enormous passion for working with children. Along with my agricultural education degree, I have earned a minor in animal science. I am very driven by the needs of the people around me, which makes me very approachable and a cooperative teacher and colleague. I have held several leadership positions in college, including being a freshman orientation advisor, which has given me the necessary skills to relate to the parents of the students with whom I work. I am a natural born leader with a compassionate heart, a highly optimistic mindset, and am thrilled about beginning my future in agriculture.

**Education:**

Tarleton State University, December 2008  
Bachelor of Science, Agricultural Services and Development, Option 1

**High School Extracurricular:**

- Varsity Mascot (UCA All Star)
- FFA
  - State Qualifying Land Career Development Event team
  - Chapter Conducting Leadership Development Event team
  - Poultry Career Development Event team
- Fellowship of Christian Athletes
- Marching Band
- Color Guard
- National Honors Society
- Student Council Secretary

**Tarleton Extracurricular:**

- Freshman Orientation Advisor (2 yrs)
