Objective

To obtain a position as an agricultural educator.

Qualifications

I was a very active member of my high school FFA chapter. As an officer for three years, I played an important role in planning meetings, conducting Greenhand camps, and preparing for chapter activities. Through my experiences, I learned leadership, responsibility, teamwork, and the importance of planning and preparation. I have also had experience in a wide variety of agricultural areas including, welding, animal science, plant science, floriculture, and production agriculture. All of these experiences helped prepare me to become an agricultural educator and FFA advisor.

Education

05/2008 Bachelor of Science Agricultural Services and Development
Tarleton State University, Stephenville, Texas

Certifications:

05/2008 Agriculture Science and Technology 6-12 (Pending Test Results)
05/2008 Hunter Safety Certification

Experience

02/2008-05/2008 Student Teaching, Joshua High School
Joshua, Texas
Responsibilities: Designed lesson plans according to the lesson cycle and conducted student centered lessons, recruited and prepared members of Career Development Event team for contests, supervised and counseled students with Supervised Agricultural Experience projects.

07/2006-12/2007 University Intern, First Baptist Church
Stephenville, Texas
Responsibilities: Conducted small group studies and discussions, created and organized events, delegated responsibilities during events, assisted in budgeting funds, assisted with Sunday and Wednesday regular activities.

08/2004-05/2006 Substitute Teacher, Cleburne Independent School District
Cleburne, Texas
Responsibilities: Maintained authority in classroom and practiced classroom management while teacher was absent.
