

Brad Jenschke

745 North Cain Street - Stephenville, TX 76401

(830) 570-5102 - Email: st_jenschke@tarleton.edu

Objective: To teach Agricultural Science as a profession.

Qualifications

I have the ability to keep students motivated to learn and stay on task. I also have the ability to relate the content to students in a way that they will understand. I also have the expertise to keep the students' attention and make the lesson interesting and enthusiastic. Over the years, I have gained a great amount of agricultural experience and therefore, a great deal of general knowledge of the content.

Education

Bachelor of Science, Agricultural Education - Tarleton State University - Stephenville, Texas
