OBJECTIVE Teaching Position

QUALIFICATIONS

Roger Trotter is excited about being a facilitator of young people in agricultural classes. He has been a leader in several areas outside of education, as well as through experience teaching in Conservation and Water Utilization, Agriculture Mechanical Services and Instruction, and Agriculture Mechanical Services laboratories at Tarleton State University. Mr. Trotter has a minor in animal science and is very interested in agricultural mechanics, along with Career Development and Leadership Development Events. Mr. Trotter will earn his Master of Science degree in agricultural education with an emphasis in teaching and learning styles in August 2009.
