Don't Give a Walk!

Instead, let Career Services talk for you! Career Services has a variety of presentations ready to give if you need to be absent from class. Topics cover **resumes, job fairs, interviewing, career planning, and using social media websites** in the job hunt.

Dear Tarleton faculty,

As we anticipate the beginning of the 2010/11 school year, I am reminded of Henry Ford's words: "Coming together is a beginning. Keeping together is progress. Working together is success." Thank you for partnering with Career Services to help Tarleton students become "**Educated and Ready**" for a successful career and life. Partnerships between faculty and Career Services combine our strengths and resources to benefit our students. You have likely been approached by students with questions related to choosing majors, finding internships, landing jobs or applying to graduate school. This newsletter will provide you with information about some of these topics, but you can find out more on the Career Services website, www.tarleton.edu/careers. Or come by our office and we can visit over a cup of coffee. Thank you for all you do and have a great semester!

-Director Darla Doty

Alicia Sanders, Alumni B.S. Biology

Texan Shadow

Students can shadow an employer during the fall or spring semesters. **The goal is to provide them with knowledge of the workplace, career exploration, and the opportunity to understand the relationship between their degree and job field.**

Job Fairs

Job fairs are an excellent opportunity to **speak to employers about career trends and potential employment opportunities.** They are also a very good networking opportunity!

HELLO, MY NAME IS:

"The job shadow process made entry into L3 much easier and gave the managers an opportunity to learn my abilities and attitude outside of the more formal interview setting."

-Aaron Nuut, May 2010 Graduate

Extreme Makeover

Coming this November, Extreme Makeover will storm Tarleton's campus. No, not the TV show with Ty Pennington, but the newer and better Tarleton version with two of Tarleton's great students starring in Extreme Makeover: Impression Edition.

My Plan

MyPlan.com is a comprehensive web-based career planning program. MyPlan **helps students make well-informed decisions about their education whether they are choosing a major or planning ahead.** Visit www.tarleton.edu/careers and click on MyPlan.
