ACADEMIC INFORMATION

STUDENT CLASSIFICATIONS

- Freshman: less than 30 semester hours
- Sophomore: 30-59 semester hours
- Junior: 60-89 semester hours
- Senior: 90 or more semester hours
- Post-baccalaureate: Holds baccalaureate degree but is not admitted for graduate study
- Graduate: Holds baccalaureate degree and is pursuing a graduate degree

Loads in excess of the maximum load require approval of the appropriate academic dean. Loads in excess of 21 hours require approval in the office of academic affairs.

RULES FOR STUDENTS IN DEVELOPMENTAL COURSES

Students in developmental courses:
1. **may not** drop developmental courses (DGS 100, ENGL 100, MATH 100 or 101, or RDG 100). Students will not be allowed to drop developmental courses, except for extraordinary situations;
2. **must** enroll in and attend labs associated with the developmental courses;
3. **may not** advance to the next course [ENGL 100 to ENGL 111, MATH 100 to MATH 101, or MATH 101 to college-level mathematics] until the student has completed the prerequisite course with a grade of “C” or better;
4. **who do not** achieve a grade of “C” or better in a development course **must** re-enroll in this course during the student’s next semester.

Developmental Mathematics

A student placed in a development mathematics course (MATH 100 or 101) **must** enroll in this course during his/her first semester and continue enrollment in mathematics courses until s/he has successfully completed a college level mathematics course.
Developmental English

A student placed in ENGL 100 must enroll in this course during his/her first semester and continue enrollment in English courses until s/he has successfully completes the freshman-level English sequence [i.e., ENGL 111 and 112]. Students enrolled in ENGL 100 will be given diagnostic writing assessments during the first and second days of class. A good performance on either of these assessments will permit a student to switch from ENGL 100 to ENGL 111.

Exceptions to these rules require approval of the Dean of the Division of General Studies.

PLACEMENT AND CONTINUING ENROLLMENT RULES

Mathematics

1. Students without prior college credit for mathematics courses will be placed in accordance with the following criteria:

<table>
<thead>
<tr>
<th>MATH course</th>
<th>THEA Mathematics</th>
<th>ASSET Elementary Algebra</th>
<th>COMPASS Algebra</th>
</tr>
</thead>
<tbody>
<tr>
<td>College-level mathematics</td>
<td>270 or higher</td>
<td>45 or higher</td>
<td>60 or higher</td>
</tr>
<tr>
<td>(see section 3 below)</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>101 &quot;Fundamentals of College Algebra&quot; (see section 4 below)</td>
<td>230 to 269</td>
<td>38 to 44</td>
<td>39 to 59</td>
</tr>
<tr>
<td>100 &quot;Basic Mathematics&quot; (see section 4 below)</td>
<td>229 or lower</td>
<td>37 or lower</td>
<td>38 or lower</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>MATH course</th>
<th>ACCUPLACER Elementary Algebra</th>
<th>ACT Mathematics</th>
<th>SAT Mathematics</th>
</tr>
</thead>
<tbody>
<tr>
<td>College-level mathematics</td>
<td>85 or higher</td>
<td>20 or higher</td>
<td>500 or higher</td>
</tr>
<tr>
<td>(see section 3 below)</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>101 &quot;Fundamentals of College Algebra&quot; (see section 4 below)</td>
<td>63 to 84</td>
<td>17 to 19</td>
<td>460 to 499</td>
</tr>
<tr>
<td>100 &quot;Basic Mathematics&quot; (see section 4 below)</td>
<td>62 or lower</td>
<td>16 or lower</td>
<td>459 or lower</td>
</tr>
</tbody>
</table>

The student need exceed only one of the indicated test score minima to achieve the corresponding placement.

Students without prior college credit for a mathematics course and without mathematics scores on the THEA, ASSET, COMPASS, ACCUPLACER, ACT, or SAT must contact the Freshman Mathematics Coordinator for placement.

2. Students with prior development mathematics coursework must contact the Freshman Mathematics Coordinator for placement.

3. College-level mathematics at Tarleton includes:
   - MATH 107 “College Algebra”
   - MATH 108 “Elementary Applied Mathematics”
   - MATH 110 “Math for Business I”
   - MATH 118 “Pre-calculus”

Students must enroll in mathematics during their first semester at Tarleton unless they are eligible for placement into college-level
mathematics. Students eligible for placement into college-level mathematics may choose to postpone initial mathematics enrollment until their second regular semester at Tarleton. Following initial mathematics enrollment, students must enroll in mathematics every regular semester thereafter until the freshman mathematics core curriculum requirement has been satisfied.

Placement into the following freshman-level mathematics courses should be advised at the direction of the Freshman Mathematics Coordinator for students who have had a better than average experience in high school and have scored significantly higher on the ACT (24+) or SAT (600+).

- MATH 109 “Plane Trigonometry”
- MATH 111 “Math for Business II”
- MATH 120 “Calculus I”
- MATH 131 “Introduction to Probability and Statistics”

4. Developmental Mathematics Courses at Tarleton (Math 100 and Math 101)
   a. A student placed in a development mathematics course must enroll in this course during his/her first semester and continue enrollment in mathematics courses until s/he has successfully completed a college level mathematics course.
   b. A student may not advance to the next mathematics course [MATH 100 to MATH 101 or MATH 101 to college-level mathematics] until the student has completed the prerequisite course with a grade of “C” or better.
   c. A student that does not achieve a grade of “C” or better in a development mathematics course must re-enroll in this course during the student’s next semester.

5. Failure by a student to adhere to these placement and continuing enrollment rules will result in a registration hold being placed on the student’s records and s/he will not be able to enroll in courses until this hold is removed.

**English**

Students with credit for ENGL 111 (TCCN: ENGL 1301) must enroll in ENGL 112 (TCCN: ENGL 1302) during his/her first semester and continue enrollment in English courses until s/he has successfully completed the freshman-level English sequence [i.e., ENGL 111 and 112]. Note: A student with a score of 620 or higher on Scholastic Achievement Test (SAT) verbal test or 28 or higher on ACT English test may request credit for ENGL 111 by contacting Undergraduate Admissions.

Students without prior college credit for ENGL 111 will be placed in accordance with the following criteria:

<table>
<thead>
<tr>
<th>ENGL course</th>
<th>ACT English</th>
<th>SAT Verbal</th>
</tr>
</thead>
<tbody>
<tr>
<td>111 (see section 3 below)</td>
<td>15 or higher</td>
<td>400 or higher</td>
</tr>
<tr>
<td>100 (see section 4 below)</td>
<td>14 or lower</td>
<td>390 or lower</td>
</tr>
</tbody>
</table>

The student need exceed only one of the indicated test score minima to achieve the corresponding placement.
Students without prior college credit for ENGL 111 and without English scores on the ACT or SAT will be placed in ENGL 100.

1. Students must enroll in ENGL 111 during their first semester at Tarleton. Following initial English enrollment, students must enroll in English every regular semester thereafter until s/he has successfully completed the freshman-level English sequence [i.e., ENGL 111 and 112]. Students enrolled in ENGL 111 will be given a diagnostic writing assessment during the first day of class. A poor performance on this assessment will mean that the instructor should recommend to the student that s/he switch from ENGL 111 to ENGL 100. The results of the diagnostic writing assessment will be reported to University Testing and entered into BANNER as the student’s Composition Placement Test score.

2. Developmental English at Tarleton (ENGL 100)
   a. A student placed in ENGL 100 must enroll in this course during his/her first semester and continue enrollment in English courses until s/he has successfully completes the freshman-level English sequence [i.e., ENGL 111 and 112]. Students enrolled in ENGL 100 will be given diagnostic writing assessments during the first and second days of class. A good performance on either of these assessments will permit a student to switch from ENGL 100 to ENGL 111. The results of the diagnostic writing assessments will be reported to University Testing and entered into BANNER as the student’s Composition Placement Test score.
   b. A student may not advance to the next English course (ENGL 100 to ENGL 111) until the student has completed the ENGL 100 with a grade of “C” or better.
   c. A student that does not achieve a grade of “C” or better in ENGL 100 must re-enroll in this course during the student’s next semester.

3. Failure by a student to adhere to these placement and continuing enrollment rules will result in a registration hold being placed on the student’s records and s/he will not be able to enroll in courses until this hold is removed.

ACADEMIC HONESTY

Tarleton State University expects its students to maintain high standards of personal and scholarly conduct. Students guilty of academic dishonesty are subject to disciplinary action. Academic dishonesty includes, but is not limited to, cheating on an examination or other academic work, plagiarism, collusion, and the abuse of resource materials. The faculty member is responsible for initiating action for each case of academic dishonesty that occurs in his/her class.

CLASS ATTENDANCE

Student absences are considered by the University to be strictly between the individual student and faculty member. The faculty member has the responsibility and authority to determine whether make-up work can be done because of absences. Students may request make-up consideration for valid and verifiable reasons such as illness, death in the immediate family, legal proceedings, or participation in University-sponsored activities. Students who
participate in University-sponsored activities are responsible for obtaining a written explanation for their absence from the faculty/staff member who is responsible for the activity.

Students who failed the TSI assessment are required to attend their developmental classes on a regular basis. Missing class can be grounds for removal from the University.

REstricted Activities PERiod
A restricted activities period is enforced each long semester, beginning prior to the start of final examinations and continuing through the last day of final examinations. During the restricted activities period, no examinations may be administered other than finals, no major assignments may be due, and no student activities may be held. Dates for the restricted activities period are given in the University calendar.

COURSE CREDIT
CREDIT BY EXAMINATION
Tarleton State University students may earn course credit by demonstrated achievement on standardized tests. Students should check with the Office of Undergraduate Admissions for subject areas in which Tarleton State University awards credit. Transfer students must provide official score reports to the Office of Undergraduate Admissions. Scores cannot be taken from other transcripts. Students may receive credit for courses and scores in effect at the time they enter Tarleton State University. A superior student may earn credit by examination in the following ways:

1. A minimum score of 3 on the College Entrance Examination Board (CEEB) Advanced Placement Examination;
2. Depending on subject, scores ranging from a minimum 48 to 52 for the Subject Examination of the College Level Examination Program (CLEP). Credit is not available for the General Examinations;
3. If CLEP tests are not available in a desired testing area, local departmentally prepared examinations may be petitioned. To be eligible for local testing, a student must have (1) a minimum score of 1000 on the SAT or 21 on the ACT and (2) completed at least two units with no grade below a B in the area of testing during high school;
4. Depending on subject, scores ranging from a minimum 494 to 678 for the CEEB Achievement Test;
5. A score of 620 on the verbal section of the SAT or 28 on the English section of the ACT.

Students taking departmental local examinations are charged a $5.00 per credit hour examination and recording fee for the credit to become a part of their academic records. Advanced placement in a subject area may be granted by the department head concerned. Permitting advanced placement does not necessarily mean approval for credit by examination. All acceptable credit earned by examination will be posted to the student's permanent record if the student is enrolled at Tarleton State University through the official census date. Students should consult the Office of Undergraduate Admissions for specific information. The credit will be recorded with a grade of P (Pass) and the hours awarded. There will be no grade points assigned for this credit, and it will not be used in the computation for any grade point ratio.
CONCURRENT ENROLLMENT AT OTHER INSTITUTIONS

Students with individual hardship situations that might be improved by their having concurrent enrollment at another college or university may request permission for concurrent enrollment through regular academic channels (academic advisor, department head, and dean). If permission is granted, such credit hours earned may be applied toward degree requirements at Tarleton, however, courses completed without such approval generally may not apply toward degree requirements at Tarleton. Written permission from the student's dean is required prior to concurrent enrollment in extension course work or in any resident courses from other institutions. Approval to take correspondence courses from other institutions must be granted by the Registrar, academic department head, and dean. See the information on correspondence courses, p. 46. Course load limits are not waived for students seeking concurrent enrollment.

AUDIT POLICY

A student may enroll to audit one or more courses under the following conditions:

1. Application to audit a course must be made through the Registrar's Office. Approval of audit requests is at the discretion of the Registrar, and a record of audit enrollment is kept in the Registrar's Office.
2. Written consent from the instructor and department head is required prior to attendance in class.
3. No audit enrollee is to be permitted to sit in class more than one period.
4. Space and any required instructional equipment must be available. Evaluation of audit requests may be postponed until the end of registration if there are questions about availability.
5. The extent of the student's participation in the activities of the class is at the discretion of the instructor and is to be designated prior to enrollment.
6. No student may audit a course offered on an individual instruction basis.
7. To receive university credit from a previously audited class, the student must retake the class and pay the appropriate fees.
8. An audit fee is required for each course at the time the request is submitted. In addition to the audit fee, audit students must pay any laboratory fee, course fee, practice fee, or other fee stipulated for the course. Fees associated with an audit request are not refunded unless Tarleton denies the audit request.

NON-STANDARD BACCALAUREATE LEVEL CREDIT

Tarleton State University accepts non-standard credit toward a baccalaureate degree from approved sources to a maximum of 30 credit hours. Non-standard sources of credit include Advanced Placement (AP), College-Level Exam Preparation (CLEP), International Baccalaureate Organization (IBO), SAT and ACT, correspondence courses, military schools, departmental credit exams, and others. Information about approved courses is available through the Registrar's Office.

Students admitted to Tarleton who believe they have more than 30 hours of non-standard credit available should contact the Office of Undergraduate Admissions to specify the courses they wish the university to accept. Such students may petition for acceptance of additional credit toward a baccalaureate degree plan. Current Tarleton students must petition and secure permission to count non-standard credit in excess of 30 hours toward a
baccalaureate degree plan before beginning the process of securing that non-standard credit. The petition process is reserved for those credits which are otherwise approved but simply exceed 30 hours.

Actual course enrollment, e.g. correspondence courses, count toward maximum course load limits for each semester. Students contemplating any concurrent course enrollment must complete a Concurrent Enrollment form. Forms are available at the Registrar’s Office. Failure to seek and secure approval may lead to credit being disallowed.

Technical courses and work experience may only count toward certain specialized degree programs. That is not the same as non-standard credit and the conditions for acceptance and maximum applicable hours are covered by the particular degree requirements. Technical courses and work experience may not be counted toward traditional BA, BS, BBA, and similar undergraduate degrees.

International Baccalaureate Organization. Students who complete the IBO diploma with certain minimum scores are guaranteed acceptance of at least 24 hours of credit. This may exceed the hours regularly granted based on individual exam results. It is recommended that any student in the IBO program who anticipates applying to Tarleton see the Admissions section of this catalog and contact the Office of Undergraduate Admission for details.

**GRADING SYSTEM**

At mid-semester, preliminary grades will be assigned to freshman and sophomore students in 100- and 200-level courses and made available to the student. Final grades in all courses will be available on the world wide web at the end of each semester.

The student’s term grade in any subject shall be designated as one of the following letters:

- **A** Excellent, 4 grade points per semester hour
- **B** Good, 3 grade points per semester hour
- **C** Fair, 2 grade points per semester hour
- **D** Passing; 1 grade point per semester hour
- **F** Failing
- **I** In progress (used for non-completed thesis course work)
- **K** Incomplete (under exceptional circumstances, see below)
- **W** Withdrawal from course, no grade designated
- **WF** Withdrawal failing (included in GPA)
- **P** Pass
- **S** Satisfactory
- **U** Unsatisfactory
- **NG** No credit

* Signifies credit with neutral grade point value

The lowest passing grade is **D**. Students should keep in mind the fact that some universities and colleges do not accept a D in transfer. A D is not considered passing for developmental courses.

If a course is repeated at this institution, only the best grade in the course is counted in computing the GPA.

The grade **K** shall be recorded for a student only in case of extraordinary circumstances. This entry is used only in such cases after the instructor and his/her department head have concurred that the incomplete entry is justified. A grade of K must be made up by the last day that course grades are due to the registrar during the next long semester and in all cases
before registering for the next sequential course. Should this grade not be reported to the registrar within the prescribed time limit, it automatically becomes an F.

A student who drops a course on or before the census date receives no grade, and the course will not be listed on that student’s permanent record.

**ACADEMIC APPEALS**

Student academic appeals are handled according to the following guidelines:

1. Each department shall develop its own formula for dealing with student grievances of an academic nature. Such policy should be in writing in the departmental office and available to students.

2. A student who wishes to appeal a decision of a faculty member or staff member of a department should ask for a review by that person within 60 days of the originating event unless the departmental procedures specifically give more time than this. The person is expected to give the student a response within 30 days. If the person is unavailable, if a response is not made within 30 days, or if the student is unsatisfied with the response then the student should inform the department head of the appeal. For an appeal of a course grade the originating event shall be considered to be the posting of the grade to the university record.

3. A student wishing to appeal a decision to the department head must do so within 120 days of the originating event unless the departmental procedures specifically give more time. The department head will review as specified by the departmental grievance procedures.

4. A student who is unsatisfied with the outcome of the departmental grievance process may appeal to the dean of the college. This must be within 30 days of the notification of the departmental decision. The dean will review the appeal and render a decision. The dean may require that the appeal be in writing.

5. A student unsatisfied with the decision of the dean may appeal in writing to the Provost and Vice President for Academic Affairs within 30 days of notification of the decision of the college. The Vice President for Academic Affairs may decide that no further review is justified, may render a decision upon review, or may appoint a five-member committee to consider the appeal. The committee will consist of a faculty member from outside the involved department as chair, two other faculty members, and two student members. After hearing both sides of the grievance, the committee shall render an opinion to the Vice President for Academic Affairs, who shall render the final judgment.

**SCHOLASTIC HONORS**

**HONOR ROLL AND DISTINGUISHED STUDENT RECOGNITION**

An “A” HONOR ROLL is published at the end of each semester listing students who have completed 12 credit hours or more during the period and have made A’s in all courses taken for credit.

Also at the end of each semester, students in good standing who have no grade below C, have completed during the semester at least 12 credit hours of college work, and have a grade point ratios of at least 3.25 for freshmen and sophomores and 3.50 for juniors and seniors shall be designated as Distinguished Students.
ELIGIBILITY FOR HONORS GRADUATION  
To be eligible for honors graduation, a student must complete no fewer than 60 hours at Tarleton. The GPA is calculated on the last registered 60 hours. Honors graduates will be recognized as follows:
3.90-4.00 GPA – Summa Cum Laude (Approximately 5%)
3.70-3.89 GPA – Magna Cum Laude (Approximately 10%)
3.60-3.69 GPA – Cum Laude (Approximately 10%)
Students who are members in good standing of national honor societies that are recognized by Tarleton State University and that require a 3.2 cumulative GPA or higher for membership may have that membership identified on their transcripts.

HONORS CLASSES AND HONORS DEGREES  
Tarleton offers honors classes in most core curriculum subjects, including English, history, political science, chemistry, biology, geology, mathematics and speech. Honors classes offered in a particular semester are announced in the published course schedule and publicized in flyers and other campus publications.
Honors courses offer intellectually challenging material, innovative approaches to the subject, increased opportunities for honing critical thinking and writing skills, and the opportunity to interact closely with similarly motivated students and with outstanding faculty. Honors courses are limited to a class size of 25 students. To register for an honors class a student must have either a 3.0 GPA or the instructor's permission.
Official designation for honors classes will appear on the student's permanent transcript. Any student who completes 18 or more hours of such classes with a minimum 3.0 GPA in honors classes and overall will receive recognition as an Honors Degree Program graduate.

DROP AND WITHDRAWAL POLICIES  
DROPPING CLASSES  
A student desiring to drop a course should follow this procedure:
1. Secure a drop card and instructions from the Registrar's Office;
2. Proceed to academic advisor and obtain his/her signature;
3. Proceed to course instructor and obtain his/her signature;
4. Proceed to the department head who has responsibility for the course and obtain his/her signature;
5. Return the card to the Registrar's Office.
The elapsed time for this procedure shall not exceed one calendar week. The effective date of dropping a course is the date the card is returned to the Registrar's Office.
Note: The student should attend the class until this procedure is completed to avoid penalty for absences. Students will not be allowed to drop developmental courses, except for extraordinary situations. Students will not be allowed to drop a freshman DGS, ENGL, or MATH course until after mid-semester except with the approval of their Dean. The last day for dropping courses is identified in the University Calendar.

WITHDRAWAL FROM THE UNIVERSITY  
An application for withdrawal from the University must be initiated in the Office of the Registrar.
1. Refer to the census chart below to determine the last day for dropping courses and the last day to withdraw from the University.

2. A student who withdraws on or before the last day to drop courses will receive a grade of W in all courses.

3. A student who withdraws after the last day to drop courses will receive a grade of WF in all courses. The student may appeal to the instructor of each class for a change of grade from WF to W if he/she was passing at the time of withdrawal.

4. **A student who fails to withdraw officially will receive a grade of F in all courses in progress.**

5. In circumstances where in-person withdrawal is not feasible, the student should call or write the Office of the Registrar and request an “Official Withdrawal Request Form.”

6. The refund policy established by the State of Texas is listed under “Refunds” in this catalog. All refunds are subject to this policy.

### LIMITS ON DROPPED COURSES AND WITHDRAWALS

The following limitations on dropped courses apply to all undergraduate students entering Tarleton for the first time in Fall 1998 or thereafter:

1. An undergraduate student enrolled at Tarleton State University is permitted a total of 6 dropped courses. Courses dropped before the official class roll day do not count in this total.

2. After a student has accumulated 6 dropped classes, he/she will not be permitted to drop any class unless unusual circumstances exist, as determined by the student’s academic dean.

3. An appeal to the academic dean for extenuating circumstances applies only after the student has accumulated 6 drops.

4. If a student withdraws from school, each separate course is counted as a drop.

5. A student who drops a class or withdraws from the University by the last day to drop a class (see University Calendar) receives a grade of W. A student who withdraws from the University after the last day to drop classes receives a grade of W or WF in each class. Each W or WF is counted as one of the 6 permitted drops.

Legislation also impacts funding rates for students based on the number of times they attempt particular courses. Texas residents attempting the same course for a third time since Fall 2002 could be charged tuition not exceeding that of out-of-state tuition rates for that course. As of Fall 2007, Tarleton State University has adopted a fee of $100 per credit hour for courses attempted a third time by a student. This provision is described in the Texas Higher Education Coordinating Board Rules (Chapter 13, Subchapter B, §13.25).
WARNING, PROBATION AND SUSPENSION

The following applies to all students unless more restrictive rules are included as part of special admission conditions or unless a more restrictive rules have been approved for a program, department, or college.

The purpose of academic warning, probation and suspension is to make the student aware of the University’s concern that satisfactory progress is not being made in his or her course of study. Early notification of this concern maximizes the student's opportunity to make appropriate adjustments that will result in remaining in good standing. A 2.0 total institution GPA is the lowest acceptable academic standard because this level mirrors the minimum GPA requirement for graduation. The total institution GPA used in this policy is defined as the best attempt on all courses taken at Tarleton State University; grades on transfer work are excluded. A student with a 2.0 or better total institution GPA is considered to be in good academic standing.

Warning: Each student is responsible for knowing his or her academic status and the regulations that apply. Students who do not abide by the regulations governing their particular status may be required to reduce their academic loads or withdraw from the University without special consideration.

WARNING, PROBATION/SUSPENSION RULES

1. If a student's total institution GPA drops below 1.00 at the end of any long semester (fall or spring), the student will be suspended.
2. If a student who has been in good standing has a total institution GPA between 1.00 and 1.99 at the end of any long semester, the student will be placed on academic warning.
3. A student who has been on academic warning during a long semester is subject to the following:
   a. At the end of the semester, if the total institution GPA is 2.00 or above, the student is returned to good standing.
   b. At the end of the semester, if the total institution GPA is between 1.00 and 1.99, the GPA for the semester will be used to determine the student’s status.
      i. If the GPA for the semester is less than 2.00, the student will be suspended.
      ii. If the GPA for the semester is 2.00 or higher, the student will be placed on probation.
   c. At the end of the semester, if the total institution GPA is below 1.00, the student will be suspended.
4. A student on probation who has less than a 2.00 total institution GPA at the end of the next long semester will be suspended. A student on probation who has a 2.00 or better total institution GPA at the end of the next long semester will be removed from probation and returned to good standing.
5. A student who transfers from Tarleton while on academic warning or probation and then returns (having met transfer requirements) has the same academic standing the first long semester back at Tarleton as though there had been no transfer.
6. A student who is suspended from Tarleton and takes no transferable college level courses during the term of the suspension may return to Tarleton after the term of the suspension and will be on academic warning the first long semester back at Tarleton.
7. A student who is suspended from Tarleton is advised not to take transferable college level courses during the term of suspension. Such a student who does take transferable college level courses during the term of suspension must meet Tarleton’s transfer requirements (as well as not having been enrolled in any transferable college level courses for an appropriate time) in order to be readmitted and will be on academic warning the first long semester back at Tarleton.

8. Any student, whether in good standing, on academic warning, or on probation, will be suspended at the end of any long semester if his or her total institution GPA is below 1.00.

LENGTH OF SUSPENSION
The first suspension is for one long semester. The second is for one calendar year, and the third is indefinite. Three calendar years after imposition of third suspension, the student may apply for readmission; this application will be evaluated by the appropriate Dean, but readmission is not guaranteed.

SUMMER SCHOOL
A student on academic warning or probation may attend summer school at Tarleton (transfer requirements having been met, if applicable).

Students placed on first suspension at the end of a spring semester may request their dean’s approval to attend summer school. A student attending summer school while on first suspension, who has a cumulative GPA of 2.00 at the end of the last summer session attended, will be returned to good standing.

FORGIVENESS OPTIONS
An undergraduate student enrolled at Tarleton may choose to exercise one, but not both, of the following forgiveness options:

OPTION I
Grades for any one semester of Tarleton work taken more than 5 years before a student’s current enrollment at Tarleton may be deleted for computation of total institution GPA if the student files a request with the Provost and Vice President for Academic Affairs. This option may be exercised one time only.

OPTION II
After a student has attempted ninety or more hours at Tarleton, grades for one semester of Tarleton work may be deleted for computation of total institution GPA if the student files a request with the Provost and Vice President for Academic Affairs. This option may be exercised one time only.

When a student has exercised one of these forgiveness options, grades for the semester selected by the student will be deleted in computing the total institution grade point average. Under either option, all courses and grades will continue to appear on the student's transcript. In applying the option, all grades from the chosen semester are deleted from the GPA, not just low or failing grades. Also, no classes taken in the semester being forgiven may be counted on the student's degree plan. A student seeking to exercise either option must be enrolled at Tarleton at the time he/she requests the forgiveness option.

REQUIREMENTS FOR A BACCALAUREATE DEGREE
GENERAL REQUIREMENTS
1. A GPA of 2.00 or better is required on all work counted toward a degree. A GPA of 2.00 or better is required for all work in the major field of study and counted toward a degree.

2. All transfer students must post an overall GPA of 2.00 or better in all courses taken at Tarleton in their major field of study and counted toward a degree as well as an overall GPA of 2.00 or better in all courses taken at Tarleton and counted toward a degree.

RESIDENCE REQUIREMENTS
Residence is satisfied only by official enrollment in and completion of course work applied toward the degree requirements.

1. A minimum of 32 semester hours of work must be completed with Tarleton, of which at least 24 hours must be advanced, including 12 advanced semester hours in the major subject.

2. A maximum of 68 semester hours of academic credit will be accepted for degree credit from a two-year institution.

WRITING PROFICIENCY REQUIREMENT
All students are required to satisfy the Writing Proficiency Requirement as a condition for the baccalaureate degree.

Writing Proficiency Exam: Requirement for Graduation
All returning Tarleton students and transfer students with 30 hours or more are required to satisfy the Writing Proficiency Requirement through the successful completion of the Writing Proficiency Exam. After completing 45 semester hours, students must register for and take this examination. The University will place a registration hold on student’s records if the Writing Proficiency Exam has not been attempted before 90 semester hours. Students must contact University Testing (Mathematics Building, Room 201; 254-968-9423) to request removal of the registration block. Dates for testing each semester are listed on the University Calendar in this publication.

Writing Intensive Program: Requirement for Graduation
Beginning in fall 2007, all incoming freshman and transfer students with 29 hours or less are required to satisfy the Writing Intensive requirement as a condition for the baccalaureate degree. (This replaces the Writing Proficiency Requirement detailed above.) To fulfill this requirement, these students must take four writing intensive (WI) courses. Two of these four courses must be upper level WI courses within the major or designed for the degree plan. The remaining WI requirement should be met through core level courses. The two core-level courses should be Freshman Composition.

GRADUATION UNDER A PARTICULAR CATALOG
To receive a degree from Tarleton State University, a student must complete all requirements for a degree as set forth in a particular University catalog. Several choices are allowed:

1. Graduation may be under the requirements of the catalog in force at the time the student first enrolls at Tarleton State University.

2. Graduation may be under the catalog in force at the time the student first enrolled in higher education if the student is a transfer to Tarleton State University. A student who pre-registers for the first time in the spring for the following fall may choose to be under the catalog in force that spring.
3. Graduation may be under the catalog in force for any subsequent year that the student is registered at Tarleton State University. These possibilities are subject to the condition that all degree requirements must be completed within six (6) years of the date of the catalog selected. For example, a student who chooses to graduate under the requirements of the 2000-01 catalog must complete all requirements for the degree under that catalog prior to August 2006 graduation. (In the event students serve on active duty with the Armed Forces of the United States between the dates of their matriculation and graduation, the six-year limit will be extended one year for each year of active duty served, up to a maximum of four years.) A student registering for the first time in the summer session may meet the requirements of the catalog applying to either the previous or the next long session.

CORE CURRICULUM REQUIREMENTS

All degree programs leading to the baccalaureate degree include the following University core curriculum:1,2

Communications

- ENGL 111, 1123  6
- COMS 101, 102, or 301  3
- MATH 107 or higher4  3

Lab sciences from CHEM, BIOL, GEOL, PHYS  8

Visual & performing arts from ART, FA, IT, MUSC, THEA5,6  3

Humanities: Literature course in English  3

Social & behavioral sciences  18

- HIST 201, 202 (6)
- POLS 201, 202 (6)
- 6 additional hours5,7 from
  - SOC 101, 201, 303, PSY 101, PHIL 101, 201, 3019
  - ECO 101, 201, AEC 105, ARCH 201, ENGR 3039
  - GEOG 110, 120, 201, HIST 101, 102

Wellness: HLTH 1018  3

Total  47

1 Core curriculum requirements are subject to review and change by the Texas Higher Education Coordinating Board.
2 Some degree programs specify the courses that satisfy these requirements. A student should consult with an academic advisor in selecting core curriculum courses.
3 Students must enroll in ENGL their first semester at Tarleton and every regular semester thereafter until the freshman ENGL core curriculum requirement has been satisfied.
4 Students must enroll in MATH their first semester at Tarleton unless they are eligible for placement into MATH 107 or above (see Math Placement Policy). Students eligible for placement into MATH 107 or above may choose to postpone initial MATH enrollment until their second regular semester at Tarleton. Following initial MATH enrollment, students must enroll in MATH every regular semester thereafter until the freshman MATH core curriculum requirement has been satisfied.
5 These core curriculum requirements may not be selected from the student’s major field.
6 Visual and performing arts course must be historical, appreciative, or theoretical in nature; it may not be an applied or performance course. Courses that meet this requirement are ART 131, 231, 232, 331; FA 101, 135, 160, 401; IT 340; MUSC 213, 313, 324, 326, 327, 328; THEA 105, 207, 208, 404.
7 The two courses to fulfill this requirement must be chosen from different
academic disciplines.
8 The Wellness requirement also may be satisfied by any combination, totaling
three hours or more, from activity P ED, M S 101, M S 102, ANSC 150, MUSC 100.
9 Intended primarily to satisfy core requirements for engineering and engineering
related majors; advisor permission required.

EXPLANATION OF CATALOG COURSE DESCRIPTIONS
In this catalog, each course is identified by a three-digit number. The first
digit of each number indicates the level or academic year that the course is
normally taken (1—freshman, 2—sophomore, 3—junior, 4—senior, 5—graduate, 6-
doctoral). The second and third digits indicate departmental sequence. For
example, ENGL 111 is a freshman course.

In course descriptions, the digit following the course number is the number
of semester credit hours. For example, ENGL 111-3 is a freshman level course
worth 3 semester hours of credit. The numbers in parentheses following the
course number (for example, 3-2) indicate the number of clock hours per week
devoted to theory and practice, respectively. Theory includes recitations and
lectures; practice includes work in the laboratory, shop, drawing room, or field.
Course descriptions include information about course content and learning
objectives. Prerequisites and lab or other fees for the course may be listed.

DEGREE PLAN INFORMATION
Students are encouraged to file a degree plan before the junior
year. Following initial enrollment at Tarleton, students with 90 or more
hours attempted who do not have a degree plan on file may be barred
from registration.
1. MAJOR
   a. The major must be declared by the beginning of the junior year for
      advising purposes.
   b. A minimum of 24 semester hours is required for a major, of which at
      least 12 must be in advanced courses in the major subject.
   c. A double major requires that a degree plan be filed for each major.
2. MINOR
   a. A minor consists of a minimum of 18 hours in a field other than the
      major, of which at least 6 hours must be advanced.
   b. Declaration of a minor by the student is optional in most degree
      programs but strongly recommended. There are restrictions on minors
      for the interdisciplinary degree programs (BAAS, BSLA, BSAS). If a
      minor is desired, it must be declared on the degree plan.
3. DEVELOPMENTAL COURSES needed as preparation for regular
University requirements (DGS 100, RDG 100, ENGL 100, and MATH 100
and 101) cannot be applied as degree plan contents.
4. CREDIT HOUR REQUIREMENTS
   a. The minimum number of semester credit hours for a baccalaureate
      degree is 120.
   b. Unless recommended otherwise by the appropriate dean and
      approved by the provost, 45 hours of advanced (upper level) credit are
      required for all baccalaureate degrees.
5. SPECIAL CONSIDERATIONS
a. A student classified as a senior cannot take a freshman course that carries the same academic prefix description as the student's first or second declared major field.

b. A student may count toward the degree not more than 6 hours of Religious Studies credits.

c. A student may count toward the degree not more than 6 hours of activity Physical Education credits.

SPECIAL DEGREE PROGRAMS

ACCELERATED DEGREE PROGRAM

Tarleton State University offers an accelerated degree program, which is intended to allow a student who enters Tarleton as a freshman to complete a baccalaureate degree in three years. (Please note: To complete a degree in three years may require that a student attend summer school for at least one summer.) The three-year program is intended for students who enter Tarleton with strong academic preparation. To be eligible for the accelerated program, an entering freshman must:

1. have graduated from an accredited high school with a ranking in the top quarter of the high school class;
2. be exempt from TSI because of exam scores or have passed all parts of TSI with scores that would not require the student to enroll in any developmental courses at Tarleton; and
3. score at least 1050 on the SAT or 23 on the ACT.

A currently-enrolled Tarleton student or a transfer student with less than 30 hours of transferable college credit is eligible to participate in the program if he/she meets the above requirements and has a college GPA of at least 3.0. A currently-enrolled Tarleton student or transfer student with more than 30 hours of college credit may participate in the program if he/she has a college GPA of at least 3.0.

A high school student who hopes to participate in Tarleton’s accelerated program may wish to get some college credits while still in high school, through dual enrollment, concurrent enrollment, or advanced placement. High school counselors can provide information about such programs.

Students admitted to the program should take no more than 19 hours in their first long semester at Tarleton; the number of hours may be higher for students with exemplary high school grades or SAT/ACT scores. Students who complete at least 15 hours with a GPA of at least 3.00 their first semester in the program will be authorized to enroll in up to 21 hours the following semester. A student maintaining a Tarleton GPA in excess of 3.25 may request authorization to enroll in more than 21 hours for a long semester.

At any time that a participant's Tarleton GPA drops below 3.00 or he/she completes less than 15 hours in a long semester, the student will no longer be considered a part of the accelerated degree program.

Program participants must satisfy all requirements for their degree programs, including total semester credit hour requirements. They may request minor modification of some University core curriculum requirements (i.e., a substitution of one course for another). Such a request should be directed to the Office of Academic Affairs. Students in the program may request departmental authorization to take courses out of sequence (without designated prerequisites) when necessary.
Participants will be advised in their academic departments and by a special designated academic counselor who will help participants plan their programs. The counselor will advise participants about methods of accelerating their degree programs (including CLEP tests, problems courses, correspondence courses, and departmental exams) and will also monitor the progress of students in the program.

**COOPERATIVE EDUCATION**

Cooperative education in institutions of higher learning is an academic program that provides students with an opportunity to integrate formal academic work with planned and supervised experience in industry, government, or service agencies. Students are given an opportunity, through cooperative education, to earn a salary that may be used to finance their education. More importantly, the program allows student to participate in off-campus work experiences that are integrated with and that supplement their entire education and career goals.

Students may see their department heads for additional information about cooperative education.

**PRE-LAW STUDY**

Admission to law school is based primarily upon a student’s performance on the Law School Admission Test (LSAT) and cumulative grade point average. Tarleton has no required pre-law major or curriculum, and students may take the LSAT and apply to law schools with any major offered at Tarleton. The LSAT covers three basic areas: logical reasoning, reading comprehension, and analytical reasoning. Students without a grounding in these areas have little chance of competing successfully for admission to selective law schools.

Students interested in preparing for the LSAT and law school are advised to consult the typical curriculum for their chosen degree and to consult the pre-law advisor early in their undergraduate program. The following courses are recommendations, not requirements, for solid pre-law preparation. Students who plan to apply to law school should enroll in as many of these courses as possible.

Courses for logical/analytical reasoning: PHIL 101,* 201,* MATH 109*
Courses for reading comprehension: advanced literature classes, PHIL 403 and 404
Courses that emphasize language development: foreign languages, advanced composition courses, COMS 303
Courses that introduce students to the study of law: CJ 232 and 237, COMS 310, POLS 401 and 402, GB 432 and 433

For more information, contact Dr. Charles Howard in the Department of Communication Studies.

* These courses meet core curriculum requirements.

**PRE-THEOLOGICAL PROGRAM**

Students seeking a bachelor’s degree as preparation for entering a theological seminary will find that most programs for Master of Divinity and related degrees are based on the standards of the American Association of Theological Schools (AATS). These call for a heavy emphasis on the humanities, especially communication skills in written English and speech; basic knowledge of the past and present culture through history, sociology, philosophy, political science, literature, science, psychology, and related areas; and a foreign
language. Of those languages offered at Tarleton, French or German is appropriate for those whose primary concern is scholarship; Spanish, for those planning a church ministry in the Southwest.

Some religious courses, such as those offered at religious centers at Tarleton, are valuable and usually taken by pre-ministerial students but the AATS discourages duplication of later work at the seminary. Although most seminaries accept candidates with a wide range of majors, the usual degrees for pre-seminary work are in such areas as English, communications, history, and sociology. Students planning to be candidates for seminary work need to check seminaries’ catalogs for special requirements.

RELIGION STUDIES
Religion Studies courses are offered on campus through the Department of Social Sciences. Course descriptions for Religion Studies courses are on p. 415.

THE BACHELOR OF SCIENCE IN LIBERAL STUDIES
A student in the Liberal Studies program must satisfy Tarleton’s core curriculum requirements and complete the following courses:
18 hours of lower-level electives and 3 hours CIS.
Upper-level courses:
18 hours in emphasis area (academic departments may determine courses)\(^1\)
9 advanced hours in supportive field (must be in field other than emphasis area)\(^2\)
33 hours advanced electives\(^3\)

This degree is designed primarily for students who have accumulated upper-level course hours without having met the requirements for a major. Students currently in or recently discharged from the military are most likely to fall into this category. The Bachelor of Science in Liberal Studies degree may enable these students to utilize much of their previous course work. The degree requirements assure that students have completed core requirements, can demonstrate computer literacy, and have sufficient hours in two areas to claim a field of emphasis and a supporting field. The department in which a student is pursuing a field of emphasis may determine which courses must be completed for the degree.

1 For the Bachelor of Science in Liberal Studies, emphasis areas are available in Art, Business Administration, Criminal Justice, History, Manufacturing, Political Science, Psychology, Social Science, and Sociology.
2 Must be approved by academic advisor.
3 Students must have 32 hours in residence, 24 must be advanced and 12 must be in major.

INTERDISCIPLINARY DEGREE PROGRAMS
Tarleton State University offers the following degree programs that are interdisciplinary in nature: the Bachelor of Applied Arts and Sciences (BAAS), the Bachelor of Science in Liberal Studies (BSLS), and the Bachelor of Science in Applied Science (BSAS). The BAAS and BSAS allow the student to apply vocational or technical training to his/her degree program. The BSLS allows
students to count toward their degree program courses in a wide range of academic disciplines.

Students in these degree programs must meet all Tarleton requirements that are established as conditions for baccalaureate degrees. These include, but are not restricted to, core curriculum (pp. 47-48); residency, and upper-level hours requirements. Students in these degree programs may not get a minor in any support area required for the degree.

THE BACHELOR OF APPLIED ARTS AND SCIENCES DEGREE (BAAS)

The Bachelor of Applied Arts and Sciences (BAAS) is designed for the student with training in a technical area. This degree utilizes education received at technical schools, junior colleges, military technical schools, etc. A student must have completed at least 12 semester credit hours (or equivalent) in technical training to be eligible for consideration. With appropriate documentation, the technical training may be supplemented with a maximum of 21 semester credit hours for work experience. A student must have at least 33 semester credit hours (or equivalent) in the combination of technical training and work experience to be eligible for consideration. In all cases, the technical training, work experience (if any), and proposed degree area must be directly related to each other.

The approved occupational areas for the BAAS degree are: agriculture, business, industrial, and technical. Tarleton does not guarantee the availability of all occupational areas. An occupational area is available only if an academic department related to the occupational area is currently sponsoring applicants.

A student interested in the Bachelor of Applied Arts and Sciences should:
1. review the admission requirements;
2. contact the Office of the Registrar for a list of sponsoring departments; and
3. meet with an advisor in the sponsoring department. The student will submit written records related to educational training and work experience (if any).

The department will review the written records and decide whether to sponsor a degree plan application. Sponsored degree plan applications will be considered by the Bachelor of Applied Arts and Sciences Committee. Degree plan applications will not be considered until a student has completed at least 3 semester credit hours at Tarleton (or is currently enrolled in at least 3 hours at Tarleton). Degree plans approved by the Committee will be processed through regular University channels. Final approval will depend on completion of the University review process.

Quantitative Requirements for BAAS Degree Programs

I. Occupational specialization
The occupational specialization is a maximum of 48 semester credit hours (or equivalent) directly related to the degree area. These credit hours may consist of technical training, credit for work experience, and credit from this University. Each of these has restrictions.

A. The technical training must be such that it can be equated to vocational-technical schools. The BAAS committee will rule on the admissibility of technical training.

B. No student who has less than 12 semester credit hours of technical training will be considered for the program. The possible credit for technical training ranges from 12 semester credit hours up to and including all 48 hours of occupational specialization.
C. Credit for work experience is awarded only after the BAAS Committee has reviewed the written documentation of the work experience and is limited to a maximum award of 4 semester credit hours per year of qualifying experience. The committee may award less than this maximum. A total of 21 semester credit hours is the greatest possible amount awarded for work experience.

D. No student will be considered for the Bachelor of Applied Arts and Sciences who has less than 33 semester credit hours in the combination of technical training and work experience.

E. Tarleton does not offer course work in all occupational specializations. For those available specializations, the credit may not exceed 15 semester credit hours.

II. Emphasis area
(Minimum 18 semester credit hours, at least 12 to be upper level.) The emphasis area is to be related to and supportive of the occupational specialization. The advisor and the BAAS committee will work together in selecting courses that meet the individual needs of each student.

THE BACHELOR OF SCIENCE IN APPLIED SCIENCE
The student pursuing the BS in Applied Science must complete the following, in addition to the University core curriculum (pp. 47-48):
Occupational specialization (12 – 27 hours of technical training and 0-15 hours of approved electives) 27
Advanced hours in emphasis area (departments may determine courses) 18
Advanced hours in supportive field (in field other than field of emphasis approved by advisor) 9
Advanced electives 24
CIS (upper- or lower-level) 3

For the Bachelor of Science in Applied Science, available emphasis areas are Business Administration, Manufacturing, and Clinical Laboratory Science.

APPLICATION FOR DEGREE
1. A candidate for a degree must apply for the degree by filing an "Application for Graduation" with the Registrar (undergraduate students) or the Graduate Office (graduate students) no later than specified in the University Calendar.
2. To be considered for degree conferral, a candidate must be in good standing with the University. All contractual and financial obligations to the University must be satisfied.

ACADEMIC SUPPORT SERVICES

STUDENT DISABILITY SERVICES
Students with disabilities may request appropriate accommodation by contacting the Director Student of Disability Services in the Mathematics Building, Room 201, at (254) 968-9400. Students at the Tarleton University System Center – Central Texas may contact the Executive Director’s Office in Killeen at (254) 519-5447 or the Disability Services Office in Stephenville. Formal accommodation requests cannot be made until the student has been
admitted to Tarleton. However, students are encouraged to make initial contact well in advance of this time to clarify documentation requirements and to allow time to arrange possible accommodations.

The policy of Tarleton State University is to comply with the Americans with Disabilities Act and other federal, state, and local laws. The Office of Disability Services fully supports this policy. Applicants for admission are not required to disclose disability status in the admission process. Information related to a disability that has been released to the Disability Services Office is not used in the admission review process.

TARLETON LIBRARIES
Tarleton libraries offer a variety of resources to support the educational, research, scholarship, and recreational needs of the University community. These resources include over 366,000 print and electronic books; 15,000 state and federal documents; 920,000 microforms; 9,500 audiovisual resources; 2,300 digital images; and 1,000 print and 25,000 electronic periodical titles.

The libraries’ online catalog offers an easy-to-use, convenient method of locating books, periodicals, and media resources. The libraries also subscribe to over 160 electronic databases, which offer online access to full-text articles, citations, and other resources.

Tarleton libraries offer interlibrary loan services, which provide materials not available in the libraries’ resources. Due to Tarleton libraries’ participation in the TexShare consortium, faculty, staff, and students receive privileges at libraries from most higher education institutions in Texas. The libraries also provide document delivery and a variety of other electronic services for qualified distance education students.

Tarleton librarians provide personalized research and reference assistance, individual and group instruction sessions, online research guides, and web-based tutorials. In addition, the libraries provide facilities that enhance study, group interaction, and information access.

The libraries’ resources and services can be accessed in the Dick Smith Library, centrally located on the Stephenville campus, or in the Tarleton Library – Central Texas, located in the Oveta Culp Memorial Library, northwest of the Tarleton – Central Texas building in Killeen. The libraries’ electronic resources are available through computers connected to campus networks and through the Internet.

WEB SERVICES
The mission of University Web Services is to develop and enhance Tarleton’s presence on the web and increase awareness of Tarleton through this media. Through the effective delivery of information and training, Web Services promotes the University to prospective students and provides information and services to current students, faculty, staff, and alumni.

Contact Web Services for help with gaining access to the web server and publishing a website. The online site at http://www.tarleton.edu/~webservices also provides plenty of tutorials and resources on everything from publishing questions to links on useful graphics and software. Web Services is located on the third floor of the Dick Smith Library, Room 248.

CLASS RINGS
Students may order class rings during the semester following completion of 80 semester hours of degree credit. They must have an average of C or
better on these 80 hours. The procedure to order a ring is as follows: Students must request a ring order form at the information desk in the Registrar’s Office. After it has been properly signed by the Registrar’s representative, the student must present it to a Campus Store employee, who will process the order. The ring may be picked up at the end of the semester in which the student has accrued at least 90 hours.

**TUITION REBATE**

A $1,000 tuition rebate from the state of Texas is offered to qualifying students who graduate from Tarleton State University with a bachelor’s degree and no more than 3 hours over the minimum number of hours required for the degree. Beginning with students admitted the first time in Fall 2005, a student must also graduate in a timely manner to earn the tuition rebate. Detailed information regarding graduating in a timely manner and other requirements to qualify for tuition rebate can be found at www.collegefortexans.com. Students must apply for the tuition rebate prior to receiving their degree. This rebate program is effective for students who entered a bachelor’s degree program as freshmen during or after Fall 1997. Additional information is available from the Registrar’s Office.

**Limitation on In-State Tuition Rates for Some Undergraduate Students**

New undergraduate students enrolling in an institution of higher education in Fall 1999 or afterward are subject to the conditions of Senate Bill 345 passed in the 76th Legislative session. The law states that a resident undergraduate student whose attempted hours exceeds, by at least 45 semester credit hours, the number of hours required for completion of the degree program may be charged tuition at a higher rate. The higher rate will not exceed the rate charged to non-resident undergraduate students. A resident student is one who pays the in-state rate for tuition purposes.

As of Fall 2006, new undergraduate students whose attempted hours exceeds, by at least 30 hours of the hours required for the completion of the degree program, may be charged tuition at a higher rate. Texas Education Code § 54.014 provides a limit on the number of hours an undergraduate Texas resident may attempt while paying in-state tuition rates. This Legislation impacts new undergraduate students enrolling in an institution of higher education in Fall 1999 or thereafter. Students who exceed the limit of attempted hours could be charged tuition not to exceed that of out-of-state tuition rates. Tarleton State University adopted a fee of $100 per credit hour for students who exceed attempted hours under the Undergraduate Funding Limit Rule.

New Undergraduate students who started Fall 1999 through Summer 2006 and attempt 45 or more semester credit hours beyond the hours required to complete their degree will be charged an additional $100 per credit hour for these excess hours.

New Undergraduate students who started Fall 2006 and thereafter and attempt 30 hours or more semester credit hours beyond the hours required to complete their degree will be charged an additional $100 per credit hours for these excess hours.

Students who have not selected a major are considered, by state law, to have a degree requirement of 120 hours.
