EXPENSES

To meet the demands for a quality education in its broadest sense, required expenses for Tarleton students are kept low. Comparisons reveal that Tarleton’s total cost of about $10,801 for two regular semesters is among the lowest of any public Texas university. Total cost includes tuition, meals, room, and all other fees. An additional $3,146 for personal expenses makes the cost of a school year at Tarleton approximately $13,947.

WITHDRAWING FROM ALL COURSES AT THE UNIVERSITY
Effective Withdrawal Date is the date the withdrawal is reported to and recorded in the Registrar’s Office.

DROPPED CLASSES
(Student remains enrolled in one or more courses at the University.)
Effective Drop Date is the date the drop is recorded in the Registrar’s Office.

1. If a course is dropped on or before the census date for the appropriate session, the student will be refunded for the tuition and fees associated with that course.
2. If a course is dropped after the appropriate census date, the student will not receive a refund.

Census dates for various length sessions are as follows:
- 3 or 4-week session 2nd class day
- 5 or 6-week session 4th class day
- 7-12-week session 6th class day
- 13 or more-week session 12th class day

Special notes: For refund purposes, class days are determined by the calendar, not by the number of class meetings. As an example, if a semester starts on Monday, Thursday of that week is considered the 4th class day for all classes.

Those fees paid by Tuition Assistance or other third party receivable will be refunded to the military or other organization if a refund is due.

Tarleton’s refund policy is in accordance with mandates of the state of Texas.

CONDITIONS OF REFUNDS
Refunds of tuition and fees will not be made until 10 days have elapsed from the date the fees were paid. Refunds of tuition and fees paid by a sponsor, donor, or scholarship shall be made to the source rather than directly to the student who has withdrawn if the funds were made available through the University. All student services and privileges shall terminate when a student withdraws or graduates from the University.

GENERAL PROPERTY DEPOSIT (Breakage Deposit)
After 10 days from the date the Registrar certifies a student has officially withdrawn or graduated, the breakage-deposit balance may be refunded upon request.

NONREFUNDABLE FEES
Fees required for special courses, ID cards, parking, testing, yearbook, installment plans, and late registration are non-refundable.

ROOM RENT AND MEAL FEES
Refunds to students withdrawing prior to the first class day will be based on a daily proration. Refunds to students withdrawing on or after the first class day will be based on a daily proration, less an early withdrawal fee equaling 10 percent of the semester room/meal rate. The effective date of withdrawal will be the date written notification is provided to the Registrar’s Office.
TEXAN BUCKS
This is an optional debit plan that allows students to use their Texan Card to make purchases both on and off campus. Accounts are opened through the Texan Card Office with an initial deposit of $20.00. Cash withdrawals are not allowed.

Balances on dormant accounts: Accounts having a remaining balance on the earlier of either the third anniversary of the date issued if not used, or the third anniversary of the card's last use must be remitted to the state.

Note: Should you have any questions regarding fees and refunds, contact the Tarleton State University Business Office: (254) 968-9107.

DETERMINATION OF RESIDENCE FOR TUITION PURPOSES
Residence for tuition purposes is determined by state law for state-supported colleges, and as such is subject to change by the Texas legislature. Additional information may be obtained from the Office of Undergraduate Admissions. The following is a brief explanation of residence requirements under present law:

1. Students claimed by parent or court-appointed legal guardian for federal income tax purposes. For a dependent or minor to acquire Texas residency through a parent or court-appointed legal guardian, the parent or legal guardian must meet residency requirements for individuals 18 years of age or older and the dependent or minor must be eligible to domicile in the United States. Residency of an eligible dependent or minor is based on one of the following circumstances:
   a. The residence of the parent who has claimed the dependent for federal income tax purposes both at the time of enrollment and for the tax year preceding enrollment; or
   b. The residence of the parent or court-appointed legal guardian with whom the dependent or minor has physically resided for the 12 months prior to enrollment; or
   c. The residence of a parent or legal guardian who has joint or single custody of the child, if that individual is not delinquent on the payment of child support; or
   d. The residence of the person to whom custody was granted by court order (e.g., divorce decree, child custody actions, guardianship or adoption proceedings), provided custody was granted at least 12
months prior to the student's enrollment and was not granted for the purpose of obtaining status as a resident student;

e. If a student was classified as a resident prior to fall semester 2001 based upon the residency of a caretaker or relative, not a court-appointed legal guardian, he or she shall not be reclassified as a nonresident under this section.

2. **Students not claimed by parent or guardian for federal income tax purposes.** A student who is not claimed by a parent or guardian as a dependent for federal income tax purposes during the tax year including the enrollment period and the previous tax year will have residency based upon himself/herself and is considered independent. Independent individuals 18 years of age or over who move into the state and who are gainfully employed within the state for a period of 12 months prior to enrolling in an institution of higher education are entitled to classification as residents. An individual who is self employed or employed as a homemaker within the home may be considered gainfully employed for tuition purposes. The student should contact the Office of Undergraduate Admissions for more information about self employment and homemaker status.

   Proof of residency will be required of any student who has resided in Texas less than one year and/or shown to have left the state or evidence likewise. If a student was gainfully employed prior to enrolling in an institution of higher education, a letter of employment is generally sufficient, but additional documentation may be requested by the institution. The letter of employment must be from the employer and must state beginning and ending dates, number of hours worked per week, and type of work performed.

3. **Student enrolled in an institution before being gainfully employed in the state.** If 12 months’ residence can be shown not to have been for the purpose of establishing residence in the state but to have been for some other purpose (i.e., educational), the individual is not entitled to be classified as a resident of Texas.

   Students enrolling in an institution of higher education prior to having resided in the state for 12 months immediately preceding time of enrollment shall be classified as nonresidents for tuition purposes and must submit the following documents for reclassification:

   a. Letter of employment stating beginning and ending dates, number of hours worked per week, and type of work performed (gainfully employed for 12 months while attending school)

   b. Material to the determination of the establishment of a domicile in Texas are business or personal facts or actions unequivocally indicative of a fixed intention to reside permanently in the state. If four of the following actions have been taken at least 12 consecutive months prior to enrollment and continue to be in effect, the student is considered to have established a domicile in Texas. Proof or documentation for the following actions must be provided:

   c. i. purchasing a residence and claiming it as a homestead
   ii. registering to vote and voting in local elections
   iii. registering automobiles in Texas
   iv. maintaining a Texas driver’s license
v. having wills or other legal documents that indicate residence in Texas
vi. maintaining checking accounts, savings accounts, or safe deposit boxes in Texas
vii. having membership in professional organizations
viii. establishing a business in Texas

4. Military personnel and dependents of military personnel. Resident military personnel and their dependents are classified as residents, provided they maintain Texas as the Official Home of Record with the military service. Nonresident military personnel must submit certification of active duty in Texas at each registration to be eligible for resident tuition rates. The Office of Undergraduate Admissions must be contacted for an Active Duty Military/Dependent Certification Form. The spouse or child of a member of the Armed Forces of the United States who has been assigned to duty elsewhere immediately following assignment to duty in Texas is entitled to pay the tuition fees and other fees or charges provided for Texas residents as long as the spouse or child resides continuously in Texas.

Nonresident military personnel who have separated or retired from military service while stationed in Texas and who intend to remain in Texas may be classified as residents provided certain actions are taken by the soldier one year prior to enrollment. Please contact the Office of Undergraduate Admissions for information.

5. Non-resident aliens. An alien is considered to be a nonresident unless he/she is in the United States on an immigration visa. Students on immigration visas are classified in reference to resident status the same as United States citizens. See sections 1 and 2 above. For questions regarding House Bill 1403 contact the Office of Admissions.

6. Reclassification of nonresident status. A student classified as a nonresident retains that classification until he/she requests reclassification in writing and provides proof of residence to the Office of Undergraduate Admissions. Proof consists of the items listed in section 3. Application for reclassification must be submitted prior to the official census date of the relevant term. The student should contact the Office of Undergraduate Admissions to obtain an application.

7. Visa classification. Students holding certain visas are now eligible for Texas residency for tuition purposes. Please contact the Office of Undergraduate Admissions for more information.

8. International students. Some foreign nationals are eligible for Texas residency for tuition purposes if certain provisions are met prior to admission. Please contact the Office of Undergraduate Admissions for more information.
