PRE-ENROLLMENT RECOMMENDATIONS

Materials Needed for Application

1. The State of Texas Common Application for Public Universities,* available at the following locations:
 - a. www.applytexas.org (Application is submitted electronically.),
 - b. www.tarleton.edu/admissions (printed or on-line version).
2. Official transcripts from high school/colleges previously attended (see next page)
3. Official scores from the Scholastic Aptitude Test (SAT I) or the American College Test (ACT) including the essay writing component, **
4. Application fee \$30 non-refundable, and
5. Section of application form used to determine Texas residency for tuition purposes. Texas residency is determined in accordance with state law. **See p. 38.**

Each of the above items must be received before an application can be evaluated. Other documents may be requested as needed.

*** Used by U.S. citizens and permanent residents to apply for undergraduate admission.**

**** Scores must be on an official high school transcript, or an official college transcript, or sent directly from the testing agency. SAT total consists of Critical Reading (Verbal) and Mathematics only. Test scores must be no more than six years old at the time of admission.**

Materials should be on file well in advance of registration. Students are encouraged to apply on or before the following dates:

Semester	Recommended application date
Fall Semester	November 30 (application based on transcript through junior year) April 28 (application based on transcript through first semester of senior year) July 1 (transfer students)
Spring Semester	December 1
Summer I	May 1
Summer II	June 1

Materials submitted by applicants who do not enroll at Tarleton are destroyed after one calendar year. **If a student applies for one semester and does not attend, he/she must complete a new application and pay the application fee.** Official documents received for a previous term may be added to the new file. If a student has completed work since applying with Tarleton, he/she must provide final official transcripts and/or score reports. If a student applies for admission more than a year after submitting a previous application, he/she will be required to submit the completed application, the application fee, test score reports, and a complete set of transcripts.

Official High School Transcripts

A freshman applicant who has not graduated from high school at the time of application must submit an official transcript indicating grades, projected high school program, projected graduation date, and class rank.

A freshman applicant who has graduated from high school at the time of application and transfer applicants with less than 30 semester hours of college credit must submit an official high school transcript that includes date of graduation. The transcript should also include **class rank** and designation of **recommended or advanced** high school program or an equivalent curriculum if these programs were not available. If the high school does not rank, student must provide a letter from school stating such.

Class rank shall be calculated at the end of the 11th grade, middle of the 12th grade, or high school graduation, whichever is most recent when the application is complete.

If an applicant is accepted during his/her 11th or 12th grade year of high school, he/she must submit an official, **final** high school transcript **upon graduation**. The transcript **must** show final class rank, graduation date (not certification of completion date), and a seal displaying the high school program the student completed. **The final high school transcript must be submitted by the end of the first semester of attendance at Tarleton.**

To be considered official, the high school transcript must bear an **original signature** of a school official and an **original school seal**. **Faxed copies are not official.** Transcripts in a language other than English must be accompanied by an official English translation.

Courses in Progress

Freshman applicants must provide a list of all courses in progress and those yet to be taken in high school. The list should include exact course titles. A copy of the applicant's senior class schedule will fulfill this requirement.

Official College Transcripts

An official transcript is required from every post-secondary institution attended, even if the applicant did not earn credit or receive a course grade from the institution, or the course is not transferable. Course work from one college posted on the transcript of another college will not satisfy this requirement.

For readmission to Tarleton, only those transcripts from institutions attended since the last enrollment at Tarleton State University are required.

Faxed copies are not official. Electronic transcripts are considered official transcripts. Check with sending/receiving institutions for availability. Electronic transcripts take 24 to 48 hours to be received from sending school.

Foreign transcripts must be accompanied by an English translation and an evaluation of course work by a foreign credentials evaluation service. Check with Undergraduate Admissions for information on transcript evaluation services.

Admission Requirements for First-Time Freshmen

At the time of application, students with no college credits since graduation from high school or entering Tarleton directly from a Texas public high school accredited by the Texas Education Agency or a Texas non-public school accredited by the Texas Private School Accreditation Commission are first-time freshmen.

Regular Admission

To be granted regular admission status, first-time freshmen must:

Rank in the Top 10% of the high school graduating class and provide SAT and/or ACT scores, including the essay writing component*;

or

Meet one of the following combinations of high school quarter rank, entrance scores and high school program listed below:

Rank	On Recommended Plan	Not on Recommended Plan
1st quarter	Provide SAT or ACT scores	Provide SAT or ACT scores
2nd quarter	Provide SAT or ACT scores	SAT 950 or ACT 20
3rd quarter	SAT 950 or ACT 20	SAT 1030 or ACT 22
4th quarter	SAT 1030 or ACT 22	SAT 1110 or ACT 24

***SAT total for Admission consists of Critical Reading (Verbal) and Mathematics only.**

Early Notification of Admission

Students seeking early notification of admission must submit all required application materials. Upon graduation, a final high school transcript showing graduation date and class rank must be submitted.

COMPLETION OF SIXTH HIGH SCHOOL SEMESTER

Students who are in the top ten percent of their class or who meet the SAT/ACT requirement shown above will be admitted after completion of their sixth semester. High school transcripts showing grades through the junior year, projected date of graduation, estimated rank, and SAT or ACT score must be submitted before a decision will be made regarding admission to the University.

COMPLETION OF SEVENTH HIGH SCHOOL SEMESTER

Students submitting a seventh semester transcript and SAT/ACT scores who meet regular admission requirements will be given early notification.

General Educational Development (GED) Tests

A GED will be considered equivalent to a high school diploma, provided the average standard score is at least 55 or no subscore is less than 50. An official copy or photocopy of the results must be submitted. Application to the university must be one calendar year after the student's intended date of graduation. Applicants must submit official SAT or ACT scores with a minimum score of 950 on the SAT or 20 on the ACT.

Home-Schooled or Non-Accredited High School Graduates

Students who graduate from high schools not accredited by the Texas Education Agency or who are home-schooled will be admitted if they have a score of 1110 or above on the SAT or 24 or above on the ACT. Those with SAT scores of 950-1100 or ACT of 20-23 may be considered based on the records provided. Statements from the school about ranking and curriculum equivalent to recommended or advanced program will be considered. Home schooled students must provide proof of curriculum completed from an agency or teacher.

Advised Admission

First-time freshman applicants who do not meet regular admission requirements are encouraged to apply for the summer advised admission program, Tarleton Transition Program. The summer Tarleton Transition Program typically has less restrictive eligibility conditions than the comparable fall and spring programs. The advised admission programs for fall and spring, Gateway Programs, require applicants to be very near the requirements for regular admission to be considered. Applicants for any advised admission program must be within a few months of high school graduation. Students who are eligible for an advised admission program will be contacted by the Office of Admissions and asked to sign a contract before being allowed to enroll at Tarleton. The contract may specify course and grade requirements, may restrict the number of hours to be taken, and may be more restrictive than certain university rules such as the Warning/Probation/Suspension policy. Students should review all contract conditions carefully before signing as students who fail to meet

conditions in the contract may not be allowed to re-enroll at Tarleton until they succeed academically at another institution and meet Tarleton's transfer requirements. The number of students granted advised admission may be limited by the Academic Affairs Office at Tarleton without prior notice.

Limited Admission for Outstanding High School Students

Students who (1) have completed their junior year of high school; (2) are ranked in the top quarter of their graduating class; and (3) have scores of at least 1100 on the SAT, or 110 on the PSAT, or 24 on the ACT or PACT may apply for one of the following programs. Applicants must provide a letter of recommendation from their high school principal or counselor addressing students' maturity and academic capabilities and a letter of consent from a parent or legal guardian. All high school/home school students must successfully complete all sections of a TSI assessment or have obtained a TSI exemption prior to course registration. For information on TSI see page 20.

Summer Program

Those admitted to this program typically are awarded the credit earned at Tarleton following their graduation from high school.

Concurrent Enrollment Program

Students admitted to this program may enroll in a maximum of 6 hours and will be awarded the credit earned at Tarleton following graduation from high school. University and high school course loads must be agreed upon before enrollment.

Holds on Registration and Release of Records

Any student who has failed to meet admission or academic requirements, or who has a financial obligation to the university, has a HOLD placed on his or her record. Until the hold is removed, such students are not allowed to register, obtain transcripts, graduate, or receive other services from the university. All new students will have a registration hold on their record until they are advised by their departmental advisor. **For further explanation of all university holds please visit the Registrar's website at www.tarleton.edu/~registrar/holdInfo.html.**

Individual Approval Admissions

Students who are denied admission to Tarleton State University may ask to be considered for individual approval. If the case has sufficient merit, it will be referred to the Academic Standards Committee or the committee chair acting on behalf of the committee. Appeals will be considered in cases of extenuating circumstances and/or with evidence of leadership, exceptional talent, volunteer work, internships, military service, unusual family situation, etc. An appeal will not be considered for applicants who are ineligible to return to a previous institution.

Appeal requests should be submitted to the Office of Undergraduate Admissions no later than two weeks before the first class day for that semester. Exceptions to this deadline must be approved by the Provost and Vice President for Academic Affairs or the provost's designee. The forms to be used when requesting consideration for individual approval may be obtained from the Undergraduate Admissions Office.

Application Fee

Students applying for admission to Tarleton are required to pay a **non-refundable** application processing fee of \$30. Checks or money orders should be made payable to Tarleton State University. The application fee must be submitted with the application forms or mailed at the time the application is submitted electronically. Credit card payments can be made at the time of electronic submission or over the phone. **Tarleton does not accept fee waivers for the application fee.**

Housing Application

Housing requirements apply to certain students enrolled at Tarleton State University. Please refer to **Residential Living & Learning** in the **Student Life** section for details.

ADMISSIONS

Texas Success Initiative

The Texas Education Code statute 51.3062, Success Initiative, effective September 1, 2003, requires the University to assess the academic skills of each entering undergraduate student to determine the student's readiness to enroll in freshman-level academic coursework. The fee for the completion of the assessment instrument will be paid by the student. However, the University will not use the assessment or the results of the assessment as a condition of admission to the institution.

Unless exempt (see below), the Texas Higher Education Coordinating Board requires that, **prior to enrollment**, each student must be assessed in three skill areas (reading, writing, and mathematics) using one or more of the following instruments:

1. ASSET offered by ACT;
2. COMPASS offered by ACT;
3. ACCUPLACER offered by the College Board;
4. Texas Higher Education Assessment (THEA) offered by National Evaluation Systems, Inc.

Additionally, unless exempt (see below), each student is subject to the provisions of Tarleton's Texas Success Initiative (TSI) Plan. A copy of the TSI Plan is available from the Division of General Studies (Thompson Student Center, Room 15; Voice: 254-968-9480) or on the Tarleton web site at www.tarleton.edu/~genstudies.

ADMISSIONS

SOCIAL SECURITY NUMBER DISCLOSURE

Section 7(b) of the Privacy Act of 1974 (5 U.S.C. 552a) requires that when any federal, state, or local government agency requests an individual to disclose his/her social security account number (SSAN), that individual must also be advised whether that disclosure is mandatory or voluntary, by what statutory or other authority the number is solicited, and what uses will be made of it.

Accordingly, applicants for admission are advised that disclosure of a student's SSAN is strongly recommended for admission as a student at Tarleton State University, in view of the practical administrative difficulties that would be encountered in maintaining adequate student records without continued use of the SSAN. It is used to verify the identity of the student, and as a student account number (identifier) to record necessary data accurately. As an identifier, the SSAN is used for such activities as determining and recording eligibility for admission as a student; reporting initial physical examinations; determining and recording assessments and payments of student fees and charges; determining and recording eligibility for student financial assistance including loans, scholarships, grants, allowances, and official student travel and per diem; recording student grades and related academic data; determining and recording eligibility for participation in Reserve Officers Training Corps programs and in athletic, rodeo, and similar events; registering private vehicles and issuing parking permits; issuing student identification cards; recording issue and return of library books and other materials; registering for placement services, including resume preparation and furnishing information to prospective employers; and other such related requirements that might arise. Tarleton State University has for several years consistently requested disclosure of the SSAN on student application forms and other necessary student forms and documents used pursuant to statutes passed by the State of Texas and United States and regulations adopted by agencies of the State of Texas and United States, and by the Board of Regents of The Texas A&M University System.

If a student chooses not to disclose his/her SSAN, he/she may request a random number to be assigned to his/her records while attending Tarleton State University. The student should contact the Office of Undergraduate Admissions for more details.

ADMISSIONS

INTERNATIONAL BACCALAUREATE DIPLOMA PROGRAM

Beginning freshman applicants to Tarleton State University who have completed or who will complete the International Baccalaureate Diploma Program from their high school should indicate that on their application. Those who complete the International Baccalaureate Diploma and meet State of Texas requirements will be granted credit for a minimum of 24 semester hours. Students

should make sure that the Director of Undergraduate Admissions is aware of the IBD Program and may request from the Director of Undergraduate Admission the type and amount of credit Tarleton State University is willing to grant, based on the IBD transcript.

Tarleton State University grants credit for IB higher level exams with a score of 5 or higher and for some standard level exams with specified scores of 5 or higher. A list of credit equivalents and required scores is listed below for certain higher level and standard level exams. Student may inquire about equivalent credit for higher level exams not listed if the score is 5 or higher. State law requires that students who present evidence of completion of the IB diploma may be granted credit for exam scores of at least 4. This can result in the awarding of up to 24 credit hours.

ADMISSIONS

international Students

Admission of international students to the undergraduate program at Tarleton is based upon graduation from a secondary school (lyceum, senior middle school, high school, preparatory school, or other equivalent) system equivalent to at least 12 grades. Applicants must provide official transcripts and evaluations of all academic work. Evaluations must be done by recognized evaluation services and typically must adhere to standards of the American Association of Collegiate Registrars and Admissions Officers and include items such as course names, course descriptions, course credit, course grades, grade point average, and diploma or degree earned as recommended by the National Council on the Evaluation of Foreign Educational Credentials. The International Academic Program office can provide a list of evaluation service providers but it is the applicant's responsibility to secure and pay for the evaluation and to make sure it is done early enough to meet admission deadlines.

The quality of the applicant's prior secondary or collegiate-level work is judged from the scores attained. International applicants must submit SAT or ACT scores to be considered for admission. International applicants may be admitted if they have a score of 1110 or above on the SAT or 24 or above on the ACT. Those with SAT scores of 950-1110 or ACT of 20-23 may be considered based on the records provided.

The Test of English as a Foreign Language (TOEFL), administered by the Educational Testing Service, is required with a minimum score of 68 on the NEW Internet-based test, a minimum score of 190 on the computer-based test, or a minimum score of 520 on the paper-based test. Completion of six semester hours of regular first-year college English composition at an accredited college in the United States with a grade of C or better in each course will satisfy the TOEFL requirement.

To obtain a visa from the American Embassy located in the applicant's country, a prospective student must have documented evidence of financial solvency. A sponsor is obligated to endorse all expenditures for the applicant during the entire course of study. Note that a copy of all financial statement documentation must be included with the admission packet. Check with the American Embassy for further details.

International applicants must submit two passport-style color photos taken within six months of application, a \$100 (US) processing and admission fee and a \$30 application fee. Both fees are non-refundable. Payment must be made by bank cashier's check or credit card payable to Tarleton State University. Tarleton State University requires that all international students have medical insurance with coverage in the United States. Students may wish to purchase insurance through the University upon arrival.

All application materials must be sent to the Office of International Academic Programs. Applications cannot be processed until all materials are received. The I-20 will be issued only after a formal admission letter has been issued by Tarleton State University. All undergraduate students are required to meet Texas Success Initiative (TSI) assessment before registering for classes. For more details about admission of international students, consult our web page at www.tarleton.edu/~iap.

ADMISSIONS

Transfer Students

At the time of application, students who have attempted college level credit at an accredited institution after high school graduation are considered transfer students. Applicants **must** be eligible to enroll at all colleges and universities previously attended and submit final official transcripts from each college or university attended. For students who have previously attended Tarleton State University, transfer work and Tarleton work will be combined to determine a cumulative GPA. Transferred developmental and similar non-college credit are not used in determining the GPA needed to be eligible for transfer admission.

Transfer Student Qualifications

The following minimum standards must be met:

1. Students with 12 to 29 semester hours of college credit and a cumulative GPA of 2.8 or higher will be admitted. A cumulative GPA of 2.00 - 2.79 is acceptable, provided they also meet one of the regular admission standards for first-time freshman applicants*.
2. Students with 30 or more semester hours of college credit and a cumulative GPA of 2.0 or higher will be admitted.
3. Students with 11 or fewer semester hours of college level credit and a cumulative GPA of 2.00 or higher who meet one of the regular admission standards for first-time freshman applicants* will be admitted.

* See pages 18-20.

Core Curriculum Transfer

Students who complete all general education requirements as approved by the Texas Higher Education Coordinating Board at another school and who then transfer to Tarleton State University will generally be considered to have met general education requirements as outlined toward a degree at Tarleton. However, additional requirements for the degree must be met and this could require students to take one or more courses that are part of the general education requirements at Tarleton.

ADMISSIONS

Transfer Articulation Policies

Credits earned at another regional accredited institution are accepted as recorded on the official transcript. However, because of differences in institutional degree requirements and course content, some credits transferred may not apply toward satisfying degree requirements at Tarleton. A maximum of 68 semester hours of academic credit will be accepted for degree credit from a two-year institution.

Beginning Spring 2004, all grades including F's, for all academic credit courses will be articulated to the Tarleton transcript. Remedial/developmental courses will not be entered and will not be used in the admissions decision. When a course has been repeated at the same institution only the best effort will be transcribed. Only those transferred hours that have been transcribed will be used to determine admissions eligibility.

Courses that are vocational or technical in nature are not automatically accepted by Tarleton State University. These courses must be approved by the appropriate academic departments and resubmitted for articulation to the Office of Undergraduate Admissions. Students with a significant number of hours in a technical field and who wish to use those hours toward a Tarleton degree should consider the Bachelor of Applied Arts and Sciences degree programs. (See p. 41 for additional information.)

The current admissions rules (See Transfer Student Qualifications above) will be applied to all work completed.

Texas Common Course Numbering System

A common numbering system has been devised by area colleges and universities to identify those courses that are similar in nature and considered to be equal in transfer. The purpose of the system is to assist students who are transferring between participating institutions. Following is a list of Tarleton courses that are considered as matches with the Texas Common Course Numbering System (TCCNS):

- All other common courses transfer to Tarleton as electives. However, these elective courses are commonly substituted for degree requirements. If you have questions regarding transferability of courses, please contact the Office of Transfer Services at 1-800-687-8236 or email uadm@tarleton.edu.
- COSC 1301/1401 will not be accepted if a significant amount of computer programming is not included.

If Tarleton does not accept lower-division course credit earned by a student at another public institution of higher education in Texas, Tarleton will give written notice to the student and the other institution that the transfer of the course credit is denied. The two institutions and the student shall attempt to resolve any dispute over the transfer of the course credit in accordance with Texas Higher Education Coordinating Board guidelines. If the dispute is not resolved to the satisfaction of the student and the institution at which the credit was earned, the student may file a Transfer Dispute Resolution form (CB-TDR) with Tarleton. It must be submitted within 15 days of the date the student received written notification of the denial of credit. Tarleton will forward a copy of the CB-TDR to the Commissioner

of Higher Education who will resolve the dispute if necessary. In this instance, the Commissioner will give written notice to the student and institutions involved.

Academic Fresh Start

Senate Bill 1321 entitles residents of the state of Texas to seek admission to public institutions of higher education without consideration of courses taken ten or more years prior to enrollment. This bill gives students the option of electing to have course work taken ten or more years prior to the starting date of the semester in which the applicant seeks to enroll either counted as usual or ignored for admission purposes. Applicants who elect to apply for admission under this law and who are admitted as students may not receive any course credit for courses taken ten or more years prior to enrollment.
