

ADMISSIONS

TRANSFER ARTICULATION POLICIES

Credits earned at another regional accredited institution are accepted as recorded on the official transcript. However, because of differences in institutional degree requirements and course content, some credits transferred may not apply toward satisfying degree requirements at Tarleton. A maximum of 68 semester hours of academic credit will be accepted for degree credit from a two-year institution.

Beginning Spring 2004, all grades including F's, for all academic credit courses will be articulated to the Tarleton transcript. Remedial/developmental courses will not be entered and will not be used in the admissions decision. When a course has been repeated at the same institution only the best effort will be transcribed. Only those transferred hours that have been transcribed will be used to determine admissions eligibility.

Courses that are vocational or technical in nature are not automatically accepted by Tarleton State University. These courses must be approved by the appropriate academic departments and resubmitted for articulation to Enrollment Management. Students with a significant number of hours in a technical field and who wish to use those hours toward a Tarleton degree should consider the Bachelor of Applied Arts and Sciences, Bachelor of Science Applied Science, Bachelor of Technology, or similar degree programs. Such students are expected to meet current admissions rules and may wish to contact Advising Services or departmental offices for further information.

Texas Common Course Numbering System

A common numbering system has been devised by area colleges and universities to identify those courses that are similar in nature and considered to be equal in transfer. The purpose of the system is to assist students who are transferring between participating institutions. Following is a list of Tarleton courses that are considered as matches with the Texas Common Course Numbering System (TCCNS):

TCCNS	TSU	TCCNS	TSU
ACCT 2301 OR ACCT 2401	ACC 203	FREN 1412	FREN 102

- If you have questions regarding transferability of courses, please contact the Office of Transfer Services at 1-800-687-8236 or email uadm@tarleton.edu.
- COSC 1301/1401 will not be accepted if a significant amount of computer programming is not included.

If Tarleton does not accept lower-division course credit earned by a student at another public institution of higher education in Texas, Tarleton will give written notice to the student and the other institution that the transfer of the course credit is denied. The two institutions and the student shall attempt to resolve any dispute over the transfer of the course credit in accordance with Texas Higher Education Coordinating Board guidelines. If the dispute is not resolved to the satisfaction of the student and the institution at which the credit was earned, the student may file a Transfer Dispute Resolution form (CB-TDR) with Tarleton. It must be submitted within 15 days of the date the student received written notification of the denial of credit. Tarleton will forward a copy of the CB-TDR to the Commissioner of Higher Education who will resolve the dispute if necessary. In this instance, the Commissioner will give written notice to the student and institutions involved.
