The Department of Computer Information Systems offers programs of study leading to the Bachelor of Business Administration or Bachelor of Science degree in Computer Information Systems. The department also offers the BAAS degree in Technical Occupations. This program is designed for students who have completed technical/occupational specializations from community colleges, technical schools, military schools, among others, and qualify for admission. The department offers a Master of Science degree in Information Systems and a graduate concentration in Computer Information Systems for the MBA program. Additional information can be found on the departmental website; www.tarleton.edu/cis.
