

DEFICIENCY PLANS

DEFICIENCY PLANS

Tarleton State University may provide a deficiency plan for an individual who seeks certification while teaching in a public school. A processing fee of \$50.00 will be charged for the preparation of each deficiency plan. The applicant must hold a bachelor's degree from an accredited college or university;

An applicant who seeks a deficiency plan in school counseling or educational diagnostician should contact his or her advisor first for additional departmental requirements.

Please contact the Certification Officer at farmer@tarleton.edu for information concerning forms and documentation necessary for preparation of a deficiency plan.
