The Department of Psychology and Counseling offers degree and certification programs in each of its discipline areas. In Counseling, the department provides coursework leading to a Master of Education degree in Counseling and School Counselor certification. In Psychology, the department offers programs of study leading to the Bachelor of Science degree in Psychology, the Master of Science degree in Counseling Psychology, the Master of Science degree in Educational Psychology and the Specialist in School Psychology degree. In Counseling and Psychology, graduate coursework is provided to meet the requirements for the Certified School Counselor, Licensed Professional Counselor, Licensed Marriage and Family Therapist, Licensed Specialist in School Psychology, and Licensed Psychological Associate credentials. Interested students may also obtain a Masters degree in Experimental Psychology. To obtain information about these programs, students should contact the Department of Psychology and Counseling, Mathematics Building, Room 301; phone 254-968-9090 or 254-968-9945. Information may also be obtained from our web site: www.tarleton.edu/pc.
