

Animal Science

305-3 Equine Evaluation. (2-2) Comparative evaluation of horses for show and competition. Conformation analysis, judging, basic exercise physiology, conditioning, and sales preparation will be presented.

In course descriptions, the digit following the course number is the number of semester credit hours. For example, ENGL 111-3 is a freshman level course worth 3 semester hours of credit. The numbers in parentheses following the course number (for example, 3-2) indicate the number of clock hours per week devoted to theory and practice, respectively. (WI) indicates that sections of this course will be offered as writing intensive.
