

Animal Science

410-3 Swine Production. (2-2) Applications of breeding, feeding, housing, sanitation, and disease control. Analysis of herd records. Lab fee \$8. Prerequisite Course(s): ANSC 309: Feeds and Feeding or ANSC 406: Animal Nutrition

In course descriptions, the digit following the course number is the number of semester credit hours. For example, ENGL 111-3 is a freshman level course worth 3 semester hours of credit. The numbers in parentheses following the course number (for example, 3-2) indicate the number of clock hours per week devoted to theory and practice, respectively. (WI) indicates that sections of this course will be offered as writing intensive.
