

## Animal Science

**580-3 Research and Writing in Agriculture. (3-0)** Preparation of writing samples, technical reviews, and/or professional manuscripts related to various topics in agriculture. Prerequisite Course(s): Approved research methodology course and approval of instructor of record.

---

In course descriptions, the digit following the course number is the number of semester credit hours. For example, ENGL 111-3 is a freshman level course worth 3 semester hours of credit. The numbers in parentheses following the course number (for example, 3-2) indicate the number of clock hours per week devoted to theory and practice, respectively. (WI) indicates that sections of this course will be offered as writing intensive.
