

## Biology

**121-4 General Biology. (3-2)** (TCCNS = BIOL 1413) The major animal phyla and vertebrate systems are surveyed, with representative examples and dissection of the frog stressed in the laboratory. Substantial microscopic observation required. Course fee \$40. Lab fee \$10.

---

In course descriptions, the digit following the course number is the number of semester credit hours. For example, ENGL 111-3 is a freshman level course worth 3 semester hours of credit. The numbers in parentheses following the course number (for example, 3-2) indicate the number of clock hours per week devoted to theory and practice, respectively. (WI) indicates that sections of this course will be offered as writing intensive.
