

## Biology

**220-4 Human Anatomy and Physiology. (3-2)** (TCCNS = BIOL 2402) A continuation of the integrated study of human anatomy and physiology. Emphasis is on the various organ systems not studied in BIOL 219. Substantial microscopic observation required. Course fee \$40. Lab fee \$10.

---

In course descriptions, the digit following the course number is the number of semester credit hours. For example, ENGL 111-3 is a freshman level course worth 3 semester hours of credit. The numbers in parentheses following the course number (for example, 3-2) indicate the number of clock hours per week devoted to theory and practice, respectively. (WI) indicates that sections of this course will be offered as writing intensive.
