

Biology

302-4 Histology. (3-3) Introduction to cellular ultrastructure. Study of vertebrate tissues and their arrangement in various organs. Lab fee \$10. Prerequisite Course(s): BIOL 121: General Biology or approval by the department head.

In course descriptions, the digit following the course number is the number of semester credit hours. For example, ENGL 111-3 is a freshman level course worth 3 semester hours of credit. The numbers in parentheses following the course number (for example, 3-2) indicate the number of clock hours per week devoted to theory and practice, respectively. (WI) indicates that sections of this course will be offered as writing intensive.
