

Biology

307-4 Microbiology. (3-4) Study of micro-organisms; characteristics, physiology, genetics, and their interrelations with humans. Substantial microscopic observation required. Lab fee \$15. Prerequisite Course(s): 2 semesters of biology and 1 semester of chemistry or approval by the department head.

In course descriptions, the digit following the course number is the number of semester credit hours. For example, ENGL 111-3 is a freshman level course worth 3 semester hours of credit. The numbers in parentheses following the course number (for example, 3-2) indicate the number of clock hours per week devoted to theory and practice, respectively. (WI) indicates that sections of this course will be offered as writing intensive.
