

## Horticulture

**210-3 Horticulture Techniques. (2-2)** Designed to acquaint the student with horticultural, gardening, and landscaping techniques including pruning, propagation, landscape installation, and construction. Course fee \$10. Prerequisite Course(s): HORT 200: Principles of Horticulture

---

In course descriptions, the digit following the course number is the number of semester credit hours. For example, ENGL 111-3 is a freshman level course worth 3 semester hours of credit. The numbers in parentheses following the course number (for example, 3-2) indicate the number of clock hours per week devoted to theory and practice, respectively. (WI) indicates that sections of this course will be offered as writing intensive.
