

Horticulture

480-3 Golf Course Management. (2-2) Environmental issues related to turfgrass and golf course management will be covered. Topics will include greens management, water conservation, course setup, personnel management, and budgeting. Lab fee \$15. Prerequisite Course(s): HORT 380: Golf Course Design and Construction and and HORT 470: Turfgrass Management and Irrigation

In course descriptions, the digit following the course number is the number of semester credit hours. For example, ENGL 111-3 is a freshman level course worth 3 semester hours of credit. The numbers in parentheses following the course number (for example, 3-2) indicate the number of clock hours per week devoted to theory and practice, respectively. (WI) indicates that sections of this course will be offered as writing intensive.
