

Nursing

215-3 Physical Assessment and Documentation. (2-3) Fosters the acquisition of history taking, psychosocial assessment, and physical assessment skills of adults. Emphasis is placed on gathering detailed health history, differentiation, interpretation, and documentation of normal and abnormal findings with consideration given to developmental and ethno-cultural variations. Clinical/laboratory experiences focus on norms in the well client while identifying common deviations in health status of adults. Course fee \$20. Lab fee \$10. Prerequisite Course(s): Admission to the Nursing Program.

In course descriptions, the digit following the course number is the number of semester credit hours. For example, ENGL 111-3 is a freshman level course worth 3 semester hours of credit. The numbers in parentheses following the course number (for example, 3-2) indicate the number of clock hours per week devoted to theory and practice, respectively. (WI) indicates that sections of this course will be offered as writing intensive.
