

## Nursing

**307-3 Health Assessment for Licensed Nurses. (2-3)** Fosters the acquisition of skills and techniques used in comprehensive health assessment across the lifespan. Explores history taking and physical examination with consideration given to developmental and ethnocultural variations. Clinical laboratory builds on prior client experiences and known norms; common deviations in health status are identified. This course is designed for RNs and LVNs. Course fee \$20. Lab fee \$10. Prerequisite Course(s): NUR 305: Professional Role Transitions or concurrent.

---

In course descriptions, the digit following the course number is the number of semester credit hours. For example, ENGL 111-3 is a freshman level course worth 3 semester hours of credit. The numbers in parentheses following the course number (for example, 3-2) indicate the number of clock hours per week devoted to theory and practice, respectively. (WI) indicates that sections of this course will be offered as writing intensive.
