

Wildlife Management

375-3 Conservation of Natural Resources. (3-0) Principles and philosophies associated with the development, management, and use of natural resources in relation to the ecological and social consequences inherent to management alternatives. Sustainable development and use will be emphasized. Credit for both RNRM 375 and WLDM 375 will not be awarded. Course fee \$5.

In course descriptions, the digit following the course number is the number of semester credit hours. For example, ENGL 111-3 is a freshman level course worth 3 semester hours of credit. The numbers in parentheses following the course number (for example, 3-2) indicate the number of clock hours per week devoted to theory and practice, respectively. (WI) indicates that sections of this course will be offered as writing intensive.
