

Wildlife Management

490-3 Special Topics. (3-0) Selected topics in wildlife and natural resource management. May be repeated for credit when topics vary, with a maximum of six hours. Prerequisite Course(s): WLDM 221: Wildlife Conservation and Management and WLDM 310: Wildlife Management Techniques and advanced classification and approval of department head.

In course descriptions, the digit following the course number is the number of semester credit hours. For example, ENGL 111-3 is a freshman level course worth 3 semester hours of credit. The numbers in parentheses following the course number (for example, 3-2) indicate the number of clock hours per week devoted to theory and practice, respectively. (WI) indicates that sections of this course will be offered as writing intensive.
