

FINANCIAL AID

SCHOLARSHIPS

The Tarleton State University Office of Scholarships is committed to providing assistance to students in pursuit of their education. Scholarships are awarded for academic ability and achievement, demonstrated leadership, ability to perform (music, band, etc.), extracurricular activities, financial need, and other criteria as defined by specific scholarship programs. Scholarship consideration for current Tarleton students has full-time status as a criterion unless otherwise defined by specific scholarship programs. More than 450 endowed, local, and departmental scholarships are available to students attending Tarleton State University. Some scholarships are awarded in specific academic areas, such as science, humanities, agriculture, and business.

Scholarship information and application forms may be obtained from the Office of Scholarships, Box T-0760, Stephenville, TX 76402 or at www.tarleton.edu/scholarships/. The Office can also be contacted by telephoning (254) 968-9922.

Any student receiving institutional scholarships valued at \$4,000 or more is generally not eligible for other institutional scholarships.

The Presidential Honors Programs offers exceptional opportunities for outstanding students. Presidential Honors Scholars are given priority in such areas as pre-registration and housing assignments. They also enroll in two interdisciplinary Honors Seminars, participate in the Honors Degree Program, have the opportunity to travel to a professional meeting in their field of study, and receive annual scholarships of \$6,000.

For more information, contact Dr. Craig Clifford, Director of the Presidential Honors Program, Box T-0545, Tarleton Station, TX 76402; (254) 968-1926.
