WORK OPPORTUNITIES

Tarleton participates in the College Work#Study Program, sponsored jointly by the federal government and the University, and in the State Work-Study Program, sponsored jointly by the State of Texas and the University. Students must show financial need to be eligible for work#study. Approximately 130 students are employed in various departments and facilities on campus. Funds are awarded on a first-come, first-serve basis. Current work-study employment does not guarantee a student work-study for the following year. All wages are on an hourly basis, and work schedules are arranged around class schedules.
