OCCUPATIONAL SPECIALIZATION INFORMATION

ALL work and/or training must be approved by the BAAS Committee to be included for Technical Occupational Specialization credit.

WORK:

- must be related to technology field
- must be documented (employer statements, resumes, etc.)
- experience can account for UP TO 21 semester hour equivalents (requires 5 years, 3 months qualifying work)

TRAINING:

- must be related to subject matter taught in the COBA
- must be related to the work if it is to be submitted for credit
- each documented (transcripts, certificate of completion, employer training records, etc.)

COURSE WORK:

- technology related coursework
- from any 2 or 4-year college courses, continuing education, military schools

The total Technical Occupational Specialization hours MUST equate to a minimum of 33 semester hour equivalents in order to be eligible for the BAAS degree. All 33 hours may come from technical training (non-transferable coursework, continuing education, military schools, etc.) **OR** the Occupational Specialization may come from a combination of technical training and work experience (maximum of 21 hours allowable for work experience).

Each prospective BAAS student is evaluated individually to determine eligibility for the degree program. Various community college business-related courses may be used as part of the Occupational Specialization. Please see the Tarleton State University College of Business Administration BAAS advisor for more information.
