

## Course Rotations

Prefix	Course #	Course Title	Fall	Spring	Summer
ENGR	303	Engineering Economy	Stephenville		
IT	105	Principles of Drafting	Stephenville	Stephenville	
IT	106	Power Transfer Technology		Stephenville	
IT	117	Introduction to Metals Processing	Stephenville		
IT	235	Solid Modeling		Stephenville	
IT	303	Industrial Materials	Online	Online, Stephenville	Stephenville
IT	317	Machine Tool Technology		Stephenville	
IT	318	Research and Reporting for Technologists	Online	Online	
IT	320	Industrial Safety	Online	Online	Online, Stephenville
IT	324	Thermoplastic Processing	Stephenville		
IT	325	Thermoset Plastic Processing		Stephenville	
IT	340	Ceramics and Jewelry	Stephenville	Stephenville	Stephenville
IT	345	Industrial Design	Stephenville		
IT	350	Numerical Control Systems	Stephenville		
IT	405	Architectural Drafting	Stephenville		
IT	450	Numerical Control Programming		Stephenville	
IT	461	Computer Aided Visualization	Stephenville		Stephenville
IT	495	Engineering Technology Projects		Stephenville	
IT	4xx	Occupational Safety & Health	Online		
IT	3xx	Product & Consumer Safety		Online	
MET	216	Introduction to Manufacturing Systems		Stephenville	
MET	326	Ergonomics and Work Methods		Online	
MET	336	Industrial Controls		Stephenville	
MET	386	Quality Management	Online		Online
MET	426	Computer Simulation		Stephenville	
MET	436	Production Planning		Online	
MET	446	Manufacturing Systems Management	Online		Online
MET	476	Automated Manufacturing Systems	Online		
MQL	524	Statistics for Quality	Online		
MQL	525	Six Sigma and Design of Experiments		Online	
MQL	536	Manufacturing Planning		Online	
MQL	546	Manufacturing Systems Management	Online		
MQL	562	Supply Chain Management		Online	
MQL	568	Quality Management	Online		
MQL	576	Automated Manufacturing Systems	Online		
MQL	598	Seminar in Manufacturing Quality Topics		Online
