Student Highlights and Improvement Suggestions

Agriculture Education AED

Highlights of Graduate Study at Tarleton

Graduation Day

Allowing me to finish my degree while working in Florida. The online classes were great.

Improvements that could be made to Tarleton's Graduate School

Get info out to graduate students about important dates (i.e. graduation, degree plan, thesis defense, written & orals).

Agriculture Services and Development AGSD

Highlights of Graduate Study at Tarleton

Getting hands on experience, and making contacts for the future references.

Biological Sciences BIOL

Highlights of Graduate Study at Tarleton

All of the research and opportunities to present and the interactions with faculty and other graduate students.

Improvements that could be made to Tarleton's Graduate School

There need to be more courses offered.

Criminal Justice CJ

Highlights of Graduate Study at Tarleton

Being challenged and led to personal and academic improvement by Dr. George Eichenberg

Improvements that could be made to Tarleton's Graduate School

Have incoming instructors take some sort of teaching course similar to Dr. Eichenberg's course for CJ majors.

Counseling Psychology CPSY

Highlights of Graduate Study at Tarleton

Dr. Albrecht! Field experience.

My work as a graduate assistant has really helped prepare me for the workforce. I really enjoyed my GA position and I learned a lot about higher education.

Improvements that could be made to Tarleton's Graduate School

More hands on preparation.

Better communication about paperwork and forms that are required.

Curriculum and Instruction CUIN

Highlights of Graduate Study at Tarleton

The teachers are the best.

Improvements that could be made to Tarleton's Graduate School

Clearly delineated hierarchy of when to start the research project.

Educational Administration EDAD

Highlights of Graduate Study at Tarleton

I love TSU - many highlights! The education Dept. is great!

Great Teachers/Staff

Most Instructors were very good and helpful. Fort Worth was nice and all in Stephenville were very friendly.
Teacher and Student rapport was very good.
EDAD w/ Principal Certification.
Completing my degree in 1 1/2 years!
Highlights include meeting people in my field of study who were from other areas of Texas and working with my professors.

Improvements that could be made to Tarleton's Graduate School

More classes offered at the Stephenville campus. Some traveling is ok, but I had to go to several places far off (EX: Killeen is 4 hours from home)

Communication of Deadlines. Changes come quickly and needed to be communicated.
Please offer all of the courses each semester at each campus. The choices are too random when people have to commute long distances.
More Fort Worth classes.
Facilities! I did not enjoy having my classes at Shoemaker. Advisors. We need more of them.
Additional online classes.
Everything went smoothly until my final semester. A calendar of due dates for all required paper work would have aided me tremendously.
Less overload for professors who are teaching and must also travel great distances.

English and Languages ENGL

Highlights of Graduate Study at Tarleton

I've learned so much, and I have felt well guided by my professors. The real highlight?
Dr. Popkes.
Working with the late Dr. Randy Popkes and with Dr. Jeanelle Barrett
Dr. Young's classes.

Improvements that could be made to Tarleton's Graduate School

More course offerings and clearer degree requirements would be desirable.
Course choices.

Thesis work was an excellent opportunity to work with other scientists in the USGS and EPA.

Improvements that could be made to Tarleton's Graduate School

History HIST

Improvements that could be made to Tarleton's Graduate School

One improvement could be to offer more graduate classes. Another improvement would be to have the application for graduation online instead of having to mail it in.
More graduate courses offered with more variety of topics.
