Student Highlights and Improvement Suggestions

Agriculture Education AED

Highlights of Graduate Study at Tarleton

I enjoyed spending more time at Tarleton before leaving to pursue a career.

Fun! I like how you are able to emphasize on an issue/subject you are passionate about.

Improvements that could be made to Tarleton's Graduate School

Communication can always use improvement.

More graduate course offered ---> Same classes are offered again. It is hard to find classes needed when you have taken all of them the previous semester before.

Agricultural AGRI

Highlights of Graduate Study at Tarleton

The ability to be GA and teach labs.

The opportunity to be a GA.

Improvements that could be made to Tarleton's Graduate School

More degree programs more specific classes for those.

Larger class selections.

Greater number of ANSC classes.

Biology BIOL

Highlights of Graduate Study at Tarleton

The personalized attention to my needs.

Improvements that could be made to Tarleton's Graduate School

Broader course selection opportunities.

Criminal Justice CJ

Highlights of Graduate Study at Tarleton

Small classes, excellent professors, willingness to adapt to student's needs.

Improvements that could be made to Tarleton's Graduate School

Drop the GRE for recent graduates in good academic standing, institute courses that develop the student's ability to perform in their chosen career, not just at higher academic levels of scholarship if that should be their choice.

Counseling CNSL

Highlights of Graduate Study at Tarleton

Gaining new professional relationship and sharing graduate school experience with those new individuals.

My classes helped me to be prepared in my field. They were taught by knowledgeable professors.

Good instruction- small classes, individualized help.

Knowledge; networking; self-awareness.

I was challenged by my professors to think outside myself and see the possibilities.

Gaining a network of professional colleagues.

Improvements that could be made to Tarleton's Graduate School

I had a very positive experience from the start to the finish.

Change in advisors. My advisor was at Stephenville and most of my classes were at Killeen or Waco. An advisor on the campus you are attending would be beneficial.

Crazy early due date for application to graduate!!!

There should be higher standards for what constitutes graduate level work at Killeen.

I would like to see the school counseling program addressing more subjects that apply to the school counseling profession.

I had a great experience.

Have more online courses that go with the face to face so less traveling involved for long distance travelers.

Counseling Psychology CPSY

Highlights of Graduate Study at Tarleton

The people and professors.

None

I thoroughly enjoyed most of my classes and the faculty!

Improvements that could be made to Tarleton's Graduate School

Bigger selection of classes at the Fort Worth campus.

None

Too many to name.

When I applied to Tarleton and subsequently applied for scholarships, I ran into a lot of conflicting information from various sources. For instance, I never got a clear answer from the graduate or admissions office as to what the admission requirements for grad school were, specifically, what GRE scores were required. The department head told me the graduate office would tell me how many leveling classes I would need and what to take (my undergrad degree is in a different field from my grad degree); the graduate office told me I needed to ask the department head. The scholarship office told me to fill out their general scholarship application, that is would be submitted for every scholarship, including graduate scholarships. Luckily, I had a friend who was a Flora Foust Scholarship recipient, who told me I needed to get a scholarship application from the graduate office. I felt like I bent over backwards trying to handle admissions correctly, trying to take care of business ahead of time, etc., only to run into one roadblock after another because various offices did not know what their responsibilities were and what other offices responsibilities were, or they just flat out did not know an answer to my question. I know that not all of the problems I ran into were specifically due to the graduate office...but better communication by all parties would really help. I was pretty motivated to go to TSU because I live and work locally, and I wasn't interested in commuting to another school. But, had I not had ties to Tarleton, it would have been very tempting to throw in the towel and go elsewhere. When a school is trying to attract students (and therefore, business), it really should not be so difficult for the student to get basic information. Once I got accepted and got into my program, things were fine. The faculty has been wonderful and has helped me with anything I needed. But it was a nightmare to begin with.

Curriculum and Instruction CUIIN

Highlights of Graduate Study at Tarleton

Summer classes let me continue with my school!

I enjoyed taking my classes very much. It has made me a **MUCH** better teacher.

Improvements that could be made to Tarleton's Graduate School

More online classes.

In education dept. some classes were only offered one semester each year- made scheduling tricky

Educational Administration EDAD

Highlights of Graduate Study at Tarleton

I thoroughly enjoyed Dr. Littleton, Dr. Beach, Dr. Lawrence, and Dr. Higham in class. They made learning enjoyable and I feel like I will take a great deal of knowledge with me in my new career because of them.

Dr. Russ Higham- he's the best. Always willing to help!!

Dr. Russ Higham has been a great advisor, mentor and professor. He is always very thorough. When I ask him questions or need recommendations. He's the best! =)

Excellent Advisor, convenience, computer lab.

Availability of classes in Waco.

I enjoyed the faculty I had the opportunity to work with. I felt as though their contributions to my education made me more successful than I might have been without their influence.

Working with other students and developing good relationships with professors.

Great personal and professional relationship with the professors.

Improvements that could be made to Tarleton's Graduate School

I might suggest that different departments have their own EDU and PSY classes. I took PSY Human Development with counselors and social workers and they wanted to dig deep in to topics that are not of interest to most EDAD students.

I would like to have seen more options available in regard to elective classes at the Waco campus.

Educational Leadership EDD

Highlights of Graduate Study at Tarleton

Completing my dissertation!

Dissertation.

Cohort program was excellent way to obtain this degree!

Professors are outstanding-experts in their field- delivery or instruction-different modes of learning encourages students to be successful.

Improvements that could be made to Tarleton's Graduate School

No suggestions. Good Experiences.

Clearer course objectives

More work toward dissertation throughout the program.

Educational Psychology EDSP

Highlights of Graduate Study at Tarleton

Small classes, being able to get to know professors.

English ENGL

Highlights of Graduate Study at Tarleton

Graduate internship has been extremely helpful.

Improvements that could be made to Tarleton's Graduate School

I have no major ideas.

Human Resource Management HRMG

Improvements that could be made to Tarleton's Graduate School

Making online classes more readily available. More guidance with the online programs.

Computer Information Systems IS

Highlights of Graduate Study at Tarleton

I really enjoyed that most of my classes were online. In most cases, it helped me learn better through self study.

I enjoyed the small class sizes and relationships that I built with my professors. You could really tell with many of the professors that teaching was their passion.

I enjoyed the online courses.

Improvements that could be made to Tarleton's Graduate School

Other colleges ie. Education should offer more online classes.

The one thing that really bothered me with some of the classes was receiving very little of no feedback from the instructors. I had 2 to 3 classes were I received only 1 or 2 homework assignments back graded, but did not get any of the other homework or exams back. I did not receive any feedback at all from 1 class.

Additional video and discussions on the online courses.

Mathematics MATH

Highlights of Graduate Study at Tarleton

I became part of a family at Tarleton. The friendships that I've acquired are to last a lifetime.

I have defiantly gained more than a degree in my time here.

Improvements that could be made to Tarleton's Graduate School

Expanding the course schedule would be an attraction to prospective students.

Business Administration MBA

Highlights of Graduate Study at Tarleton

There are some amazing professors in the online program, that do a great job of teaching despite the challenges of an all-online course.

The mix of online and face-to-face courses worked well with my work schedule.

Dr. Bradley's MGMT class.

I felt like I wasted \$ here @ TSU.

Improvements that could be made to Tarleton's Graduate School

I still do not know who my advisor is. I was given three different advisors before I started, and one is retired. The one name I was given does not respond. I signed up for the wrong classes at different times and ended up having a wonderful secretary in the grad office help me.

Increase the variety of classes offered at the Fort Worth Campus.

Need more face-to-face classes ITV & Online classes need improvement.

Courses should be offered that go with specific concentrations (finance). Also, more than 10-15 students can comfortably take an online class. I had to take whatever I could get so I could graduate in 2 years. Otherwise, I'd still be here taking 1 course or wait until they offered a course that would get me a concentration.

Management and Leadership MGLD

Physical Education PED

Highlights of Graduate Study at Tarleton

Help taking classes.

Great people and environment to study.

Improvements that could be made to Tarleton's Graduate School

Standards, Experiments, Requirements. Less recommendation of undergrads to stay for graduate degree.

Better technology in facilities.
