Student Highlights and Improvement Suggestions

Agriculture AGRI

Highlights of Graduate Study at Tarleton

Being a student under Dr. Hennen Cummings during my graduate study is the highlight. No person could have provided more helpful information for my future career than he. The warm environment provided ease of adapting to a new program. Sufficient assistance with thesis.

Improvements that could be made to Tarleton's Graduate School

I was confused on deadlines and due dates, because they have constantly changed and I wasn't aware of it. There needs to be a better method of communication between Grad office and graduate student.

The level of education is slightly low.

Biological Sciences BIOL

Improvements that could be made to Tarleton's Graduate School

Make sure the advisors know what requirements are. Check points to make sure everything is on track.

Criminal Justice CJ

My internship and all the help given by faculty & staff to help me succeed.

Improvements that could be made to Tarleton's Graduate School

Some online lecture courses & more hands on application.

Counseling CNSL

Highlights of Graduate Study at Tarleton

The hands-on experience I gained while involved in the program at TSU proved to be extremely beneficial in my personal and professional development.

Improvements that could be made to Tarleton's Graduate School

More on-line opportunities.

Counseling Psychology CPSY

Highlights of Graduate Study at Tarleton

It would have to be doing practicum.

Improvements that could be made to Tarleton's Graduate School

Offer more classes at the main Tarleton campus instead of Granbury or Fort Worth.

The Professors.

Professors are very approachable and make courses very current and purposeful for our field.

New friends, knowledgeable professors, professional growth.

I gained so much more knowledge, and I met many new people who will be valuable resources in the future.

The highlights were the interaction and networking with graduate students and the professors.

I have enjoyed moving through the program with my peers. Professors were kind and knowledgeable.

I really enjoyed the interaction with other professionals in my field. I also felt that the faculty and staff were extremely knowledgeable and supportive throughout the entire process. I truly feel prepared for any job within my field of study.
Advisors knowledge and help. Accommodating professors keeping in mind we work 50 hours a week as teachers.

My graduate studies have truly provide me with an insight as to what being a principal will be. I have been offered a wealth of "practical knowledge" that I bet will serve me greatly.
Getting to know the professors and other students in the program.
I enjoyed all my classes as they were equally beneficial.
Dr. Highams Guidance and concern for each student.
I enjoyed how each professor was very professional but also very personal with each student.
Great faculty and support.
Convenience of the Fo. Worth location made this degree possible. Most of my professors were very professional and I was well prepared for the future.
I was able to complete my study as promptly as I wanted.

Improvements that could be made to Tarleton's Graduate School

More information about # 11 above.
Easier access to information for students taking classes off campus- like waco.
offer more mini mester courses in Waco.
The only improvement I would suggest is to get summer classes posted sooner. This way individuals can plan the rest of their year.
They desperately need to put a stapler in the computer lab at the Hickman Building (Ft. Worth).
More computer technology needed at satellite campus classrooms.
More course offerings. Include budget in the program and require internship sponsors to draw time to complete requirements.
If possible, I feel that it would be beneficial to offer more elective courses, as well as other graduate degree programs in Waco.
The only improvement that I would suggest is that Tarleton needs to continue with the same format and personable approach, however great expansion to encompass more students needs to take place immediately.
The dates for graduation application are very early.
None.
Nothing.
I can not think of anything.
More class offerings.
More available classes each semester (PDAS).
