

TARLETON STATE UNIVERSITY
LEARNING COMMUNITIES

Fall 2009 Learning Community Program Application

Participation in this program allows students to join a group of students pursuing the same field of study and who are enrolled in many of the same courses. Each community has 24 members who interact and study together to create an academically successful environment.

Last Name	First	Middle
Student ID (UID)	Telephone Number	
E-Mail Address	Intended Major/Field of Study	

Learning Communities receive block scheduling for the fall semester and each participant enrolls and commits to all of the course selections in the "Block Schedule." To participate in a Learning Community, each student must obtain regular admission at Tarleton State University. A listing of the courses included in each Learning Community is available at <http://www.tarleton.edu/~lc>. Note: Learning Communities and the courses included in them are subject to change. Students placed in ENG 100 or MATH 100 will be evaluated on an individual basis due to block schedule requirements.

I wish to participate in the following learning community:

Preference	Learning Community	Majors/Fields of Study
	General Studies	Appropriate for: Undeclared, Liberal Studies or any other student who is unsure concerning his/her major
	Health & Physical Education	Appropriate for: Exercise & Sport Studies and Health & Physical Education
