READY TO TAKE NURSING PREADMISSION COURSES (NURS 2355, 2260, & 2265)?

Registering for the Preadmission Courses (NURS 2355, 2260, and 2265) requires an override and is a competitive process. Answering yes to the following questions and submitting the "Permission to Take the Preadmission Courses" form by the application deadline of March 15 for the fall semester or October 15 for the spring semester is necessary but not sufficient to be selected to register for the three preadmission courses.

1. Have you been admitted to Tarleton State University for the semester you plan to register for the pre-admission courses?

2. Will you complete at least 17 (52 hrs) of the *19 (59 hrs) non-nursing pre-requisite courses required by the end of the present semester?
   *Upper Elective can be taken in summer while in the first year of nursing.

3. Do you have a grade of C or better on all courses required for the degree?

4. Do you have a minimum GPA of 3.0 on completed designated English and Science prerequisite courses (ENGL 1301 & 1302, CHEM 1407 or 1411, BIOL 2401, 2402, and BIOL 2420)?

5. Will you complete at least three of the four required science courses (CHEM 1407 or 1411, BIOL 2401, 2402, and 2420) by the end of this semester?

6. Do you presently have a minimum of 24 course points (8 points awarded for the first time you enroll and complete each entry designated course with a grade of "C" or better (ENGL 1301 & 1302, CHEM 1407 or 1411, BIOL 2401, 2402, and BIOL 2420))? No points are awarded if the 1st time grade is less than "C" or W/Q because you withdrew from the course. Total possible courses points = 48.

7. If you are accepted into the preadmission courses, will you be able to successfully complete all 59 hours of degree required non-nursing courses while enrolled in the preadmission courses?

8. Do you have effective computer skills?

If you require assistance in determining your eligibility for the preadmission courses, visit with an advisor at the TSU Academic Advising Center or meet with a Nursing Faculty advisor by calling (254) 968-9139 to schedule an appointment. The "Permission to take the Preadmission Courses" form must be submitted to the Nursing Office by the deadline listed at the top of this form.

You will be notified regarding your status to take the pre-admission courses by the email address on your permission form.

The completed form is only applicable for one semester. You must submit a new form by the next deadline if you are not selected for the preadmission courses or if selected, choose not to register for the classes.
