

# TARLETON STATE UNIVERSITY DEPARTMENT OF NURSING

## EXPLANATION OF POINT SYSTEM & APPLICANT INSTRUCTIONS

A point system is used to select students for admission to the Nursing Program at Tarleton State University (TSU). Students who submit all application materials and \*TEAS® scores by the deadline and meet admission requirements will be ranked on a list in descending order according to their total number of points. Slots will be filled from the point list until classes are full. The point list will be eliminated immediately after the last date to register for university credit. Students not admitted must submit a new application to be considered for the next admission cycle.

**Nursing Program Admission Process** – Application to the nursing program is separate from and in addition to the application to Tarleton. To be considered for the program admission the individual **MUST** meet admission requirements and submit application materials and \*TEAS® scores to the Department of Nursing **and** application materials to the Tarleton State University Office of Admissions on or before the **deadline of March 1<sup>st</sup>** for the fall semester and **September 1<sup>st</sup>** for the spring semester.

Department of Nursing application materials are available in the Nursing Office. **The nursing program application must be submitted between December 1 to March 1 for Fall & June 1 to September 1 for Spring. Applications submitted outside of this timeframe will not be considered.**

Students may take the TEAS® at any time during the process of completing the prerequisites – before, during or after. However, it may be beneficial to wait until completion of five to eight program prerequisite courses before taking the TEAS®.

### **Admission Requirements**

1. GPA of  $\geq 2.75$  on specific completed English and Science program prerequisite courses (BIOL 219, 220, and 307, CHEM 103 or 105, and ENGL 111 and 112).
2. \*Composite score  $\geq$  national baccalaureate program average on the Test of Essential Academic Skills (TEAS®) or have  $\geq 1110$  on the SAT or  $\geq 24$  on the ACT.

Only TEAS® scores submitted from an authorized testing center will be accepted (directly from TSU testing center or with testing center seal/signature if taken at a college/university other than TSU).

3. Achieve a minimum of 110 selection points before the residency points are added.
4. Ability to complete all program prerequisite courses with a minimum grade of C prior to the program enrollment.
5. Eligibility for RN licensure upon graduation. Must receive criminal background clearance by the Texas Board of Nursing and answer no to eligibility questions or receive a Declaratory Order before acceptance (see part IV of the Department of Nursing application for more details).
