Tarleton State University Scholarship Program
For Employees Of
Texas Cooperative Extension
Texas Agricultural Experiment Station

Application

Employee Name:_________________________________________ Social Security Number:__________________

Agency: _______________________________________________________________________________

Work Address:__________________________________________________________________________

Employee Scholarships are available for enrollment in three or more semester credit hours at $200 for each regular semester (Fall / Spring) $200 for the summer to be prorated on the employee’s percentage of full-time employment for the semester enrolled.

NOTE: An application must be submitted each semester to the Scholarship Office.

Eligibility:
• Permanent employee budgeted by name
• (excludes positions for which student status is required).
• Be eligible for benefits during the semester enrolled.
• Must meet minimum admissions requirements.
• Must maintain an overall or Tarleton GPA of 2.0
• Be a student in good standing with the University.
• Cannot be on academic probation.

As an employee and having fulfilled the eligibility requirements described above, I am requesting permission to enroll in the following classes (List Below):

<table>
<thead>
<tr>
<th>Course Prefix and Number</th>
<th>Day(s) of Week</th>
<th>Times</th>
</tr>
</thead>
</table>

If classes occur during regular office hours, the time missed to attend class will be made up by:

Employee Signature                                    Date   Agency Assistant/Associate Director  Date

Immediate Supervisor                                          Date   APPROVED:

District Director/Resident Director  Date
