*Are Your Children Getting All the Supports and Services they Need?
Assessing Community Supports and Services from all Texas State Agencies*

Sandra Galindo, RN, Regional Nurse Consultant for CPS, and Nora DeWitt
"Judges Packet" on Psychotropic Medications

An understanding of this packet will help CPS caseworkers at administrative reviews for children in their conservatorship. The training also will provide an overview of "informed consent".

Foster Care Alumni

Foster care alumni will speak about their experiences in foster care and what helped them become successful. .

Richard Lavallo, JD, Advocacy, Inc

Page Title

Establishing and expanding rights and services for foster care alumni. Working with schools, courts, legislators, and community agencies.
