

## 2012-2013 Important TMATE Dates

These dates apply to both TMATE locations and may be subject to change.

The TMATE program operates on a yearly cycle with one **application deadline, March 31**. Applications are accepted September through March 31.

Please register for Information Meetings by clicking the links.

All applicants must complete all [entry requirements](#) prior to the enrollment in the summer courses.

The [University Academic Calendar](#) provides additional dates and information.
