

University Curriculum Committee Meeting  
January 20, 2016  
Agenda

The University Curriculum Committee will meet Wednesday, January 20, 2016 in the Administration Building Conference Room #208 at 3:00 p.m.

Voting will be by UCC representatives or their proxies. We encourage all faculty members to review the items via <https://nextcatalog.tarleton.edu/courseleaf/approve> and entering the appropriate access credentials or by reviewing the agenda items below.

**1. Approval of Minutes from November 18, 2015**

**2. Consent Items**

Department	Program/Course	Change Request	Item No.	Effective Term
English and Languages ENLA	SPAN-CERT: Spanish Certifications	<i>Edit Program</i> SPAN 4308 was not listed as an option in the BA-CERT with additional field and was recently added course.	P52	Fall 2016
Accounting, Finance, and Economics FAE	ECO-BS: The Bachelor of Science Degree in Economics	<i>Edit Program</i> Editing cross-listed courses that need to be only taught within their discipline. Deleting cross-listed courses -BCIS 3301, ACCT 4350, and MGMT 4350.	P10	Fall 2016
Medical Laboratory Science MLS	PH-BS: The Bachelor of Science in Public Health	<i>Edit Program</i> Clarifying General Education requirements for SOCI 1301; adding MDLS courses for Track 2; adding FACS 4360 to Track 1, 3 and 4. Track 3 PSYC elective increased to 6 hours.	P137	Fall 2016
Psychological Sciences (PSYS)	PSY-MS: Master of Science Degree in Applied Psychology	<i>Edit Program</i> We surveyed our undergraduate majors and completed an analysis of potential jobs for the degree and believe that there is a future need for graduates obtaining this degree.	P157	Fall 2016
Social Sciences (SOSC)	HIST-BA: The Bachelor of Arts Degree in History	<i>Edit Program</i> GEOG 2301: Geography of Texas is being deactivated as a course and needed to be removed from the degree.	P54	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	ENVS-BS: The Bachelor of Science Degree in Environmental Sciences	<i>Edit Program</i> Editing program and prerequisites to ensure that upper level courses are consistent with university requirements.	P43	Fall 2016
Fine Arts (FNRT)	MUSC-BM: The Bachelor of Music Degree in Performance	<i>Edit Program</i> Adding two additional advanced electives to the vocal and instrumental emphases of the degree so that the advanced 45-hour requirement will be met.	P142	Fall 2016
Fine Arts (FNRT)	MUSC-BM: The Bachelor of Music Degree: All-Level Certification	<i>Edit Program</i> Change the certification requirement from 12 hours of required English to 9 hours in order to reduce the total number of hours of the degree. The music faculty would like three ensembles at any level to count as three hours towards the degree (not just freshman- and junior-level).	P129	Fall 2016

Fine Arts (FNRT)	ART-BFA: The Bachelor of Fine Arts Degree in Art	<i>Edit Program</i> Change the certification requirement from 12 hours of required English to 9 hours and replace it with a second W-I course, F A 4301: The Arts in Contemporary Society.	P121	Fall 2016
Fine Arts (FNRT)	FASH-BS: Bachelor of Science in Fashion Design	<i>Deactivate Program</i>	P163	Fall 2016
Fine Arts (FNRT)	FASH-BS: Bachelor of Science in Fashion Studies	<i>New Program</i> The Fashion Design degree proposed last year was approved at all levels within Tarleton but not by the A&M System. Department faculty have revamped the degree so that students will gain a broader sense of the fashion industry.	P201	Fall 2016
Criminal Justice (CJ)	CJA-BAAS: The Bachelor of Applied Arts and Sciences Degree in Criminal Justice Administration	<i>Edit Program</i> CRIJ 4686 will be replaced with CRIJ 3305 and Advanced CJ electives. In addition, CRIJ 4385 will be replaced with Advanced CJ electives.	P62	Fall 2016
Curriculum and Instruction (CUIN)	IS-BS: Bachelor of Science Degree in Interdisciplinary Studies	<i>Edit Program</i> These changes allow a move toward a standalone degree in CFST with two certificate options.	P119	Fall 2016
Fine Arts (FNRT)	MUSC-MINOR: Minor in Music	<i>Edit Program</i> For many years, music majors at Tarleton have been required to make at least a C in their music courses. Music faculty now ask, for the sake of consistency, that music minors also be required to make a letter grade of C or above in all music minor courses. Attached is the signed approval memo.	P123	Fall 2016
Military Science (MS)	MS-MINOR: Minor in Military Science	<i>Edit Program</i> Program description was changed to exclude old course numbers. This will bring the course names up to date with what the U.S. Army has published.	P29	Fall 2016
Engineering and Computer Science (ENCS)	ENVE-BS: Bachelor of Science in Environmental Engineering	<i>Edit Program</i> Edit curriculum to reflect the expertise of new faculty; ABET has rigorous and numerous program outcomes and curricular requirements for ENVE; this will improve achievement of ABET student and program outcomes, and enhance the preparedness of our graduates for industry and/or graduate school; Net change: -1 hrs;	P67	Fall 2016
Engineering and Computer Science (ENCS)	ENPH-BS: The Bachelor of Science Degree in Engineering Physics	<i>Edit Program</i> Establishing concentrations in Mechanical Engineering (by partitioning the existing ENPH degree) and General Engineering. General Engineering Concentration will allow students to specialize in CS, PHYS, Nuclear, GEOL or CHEM preparing them for grad programs or employment in a breadth of areas. This also allows for a test bed or incubator for new emphases or specializations.	P66	Fall 2016

Engineering and Computer Science (ENCS)	MEEN-BS: The Bachelor of Science Degree in Mechanical Engineering	<i>Edit Program</i> Update curriculum to improve achievement of ABET student and program outcomes, and enhance the preparedness of our graduates for industry and/or graduate school.	P180	Fall 2016
Fine Arts (FNRT)	MUSI 1310: Popular Music in America	<i>Edit Course</i> Wording in the catalog description will be changed from "Concert attendance and listening requirements" to "Concert attendance and/or listening requirements." Concerts are not always available to online students or during summer sessions.	C2293	Fall 2016
Military Science (MS)	MLSC 2301: Leadership and Decision Making	<i>Edit Course</i> Changing title per instructions from U.S. Army	C1485	Fall 2016
Military Science (MS)	MLSC 2302: Army Doctrine and Team Development	<i>Edit Course</i> Editing course description per U.S. Army	C1486	Fall 2016
Chemistry, Geoscience & Physics (CHGP)	EASC 2320: Geographic Information Systems for the Sciences	<i>Deactivate Course</i> Course is being replaced with EASC 3310	C607	Fall 2016
English and Languages (ENLA)	SPAN 4300: Foundation in Literary Studies	<i>Edit Course</i> Editing title to better reflects the content of the course.	C1844	Fall 2016
Military Science (MS)	MLSC 3302: Applied Leadership in Small Unit Operations <b>Enforce in Banner NLF</b>	<i>Edit Course</i> Title changed per the U.S. Army	C1462	Fall 2016
Accounting, Finance, and Economics (FAE)	FINC 4302: Real Estate Finance	<i>Edit Course</i> Removing prerequisite because it is no longer enforced.	C984	Fall 2016
Military Science (MS)	MLSC 1201: Introduction to the Army and Critical Thinking	<i>Edit Course</i> Changing course title per U.S. Army	C1483	Fall 2016
Engineering Technology (ENTE)	ENGT 1306: Introduction to Mechanics	<i>Edit Course</i> Edit course description.	C2209	Fall 2016
Engineering Technology (ENTE)	ENGT 3327: Mechanical Analysis	<i>Edit Course</i> Edit course description and added prerequisites.	C858	Fall 2016
Curriculum and Instruction (CUIN)	READ 3301: An Introduction to Children's Literature	<i>Edit Course</i> Students ignore the prerequisite and register for the course only to have to drop it after the first class meeting. Enforcing in Banner will prevent this situation.	C2105	Fall 2016
Curriculum and Instruction (CUIN)	READ 3311: Literacy for the Early Years	<i>Edit Course</i> Changing title to clearly identify content of course. Minor change in course description to update to current language in the field and eliminate the need to update each time the state standards are revised and renamed.	C2106	Fall 2016

Military Science (MS)	MLSC 1202: Introduction to the Profession of Arms	<i>Edit Course</i> Editing course title per U.S. Army	C1484	Fall 2016
Military Science (MS)	MLSC 3301: Training Management and the Warfighting Functions	<i>Edit Course</i> Editing course title per U.S. Army	C1461	Fall 2016
Military Science (MS)	MLSC 4301: The Army Officer	<i>Edit Course</i> Editing course title per U.S. Army	C1463	Fall 2016
Military Science (MS)	MLSC 4302: Company Grade Leadership	<i>Edit Course</i> Editing course title per U.S. Army	C1464	Fall 2016
Accounting, Finance, and Economics (FAE)	FINC 3099: Cooperative Education	<i>Deactivate Course</i> This course is no longer being taught.	C978	Fall 2016
English and Languages (ENLA)	SPAN 2316: Career Spanish I	<i>Deactivate Course</i> This course is not offered and needs to be deactivated.	C1729	Fall 2016
Animal Science & Veterinary Technology (ASVT)	ANSC 3324: Horse Nutrition	<i>Deactivate Course</i> This course is currently taught in a lecture-only setting. Adding a laboratory component will increase the quality of the course by allowing students time to apply the theoretical material in a practical setting. Replacing with a lecture/lab course.	C259	Fall 2016
Agricultural and Consumer Sciences (AGCS)	AGSD 4085: Seminar	<i>Deactivate Course</i> The course will be replaced with AGSD 4185 so that it can be listed as a variable credit course.	C129	Fall 2016
Agricultural and Consumer Sciences (AGCS)	AGSD 4084: Internship	<i>Deactivate Course</i> This course will be replaced with AGSD 4684 which will be a fixed 6 credit hour course instead of a variable credit course.	C128	Fall 2016
Fine Arts (FNRT)	MUSI 1311: Music Theory I	<i>Edit Course</i> Editing the course to consist of two components, music theory (3 hours) and aural skills (1 hour) adding the course back into the core.	C2437	Fall 2016
Fine Arts (FNRT)	FASH 3338: Evaluation of Sewn Fashion Products	<i>Deactivate Course</i> The fashion degree will have less emphasis placed on the development of sewing skills and more on a broader sense of the fashion industry. This course is no longer needed.	C2818	Fall 2016
Chemistry, Geoscience & Physics (CHGP)	GEOL 1408: Natural Disasters	<i>Edit Course</i> The restriction on receiving credit for both Physical Geology and Natural Disasters has been removed by the Core Curriculum committee. Edited course description.	C920	Fall 2016
Biological Sciences (BIOS)	BIOL 2402: Anatomy & Physiology II	<i>Edit Course</i> Remove prerequisite and modified course description and outcomes to align with THECB - this course does not require A&P I but is a standalone course.	C234	Fall 2016

Animal Science & Veterinary Technology (ASVT)	VETE 1102: Ethics, Professionalism & Legal Applications	<i>Deactivate Course</i> Course is not applicable to the curriculum.	C2268	Fall 2016
Animal Science & Veterinary Technology (ASVT)	VETE 4305: Pharmacology & Pharmacy	<i>Edit Course</i> Edit prerequisites and enforce in Banner.	C2664	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 4309: Plant-Animal Interactions	<i>Edit Course</i> Adding writing intensive designation to increase the Department's inventory of WI courses.	C2506	Fall 2016
Agricultural and Consumer Sciences (AGCS)	AGSD 3302: Agricultural Sales and Services	<i>Edit Course</i> Removing prerequisites from the course.	C123	Fall 2016
Agricultural and Consumer Sciences (AGCS)	AGSD 4310: Leadership Development	<i>Edit Course</i> Removed the co-requisite from the course description.	C135	Fall 2016
Animal Science & Veterinary Technology (ASVT)	ANSC 4305: Anatomy and Physiology of Farm Animals	<i>Deactivate Course</i> The course is being changed to a sophomore level course and will be replaced with ANSC 2350.	C157	Fall 2016
Engineering and Computer Science (ENCS)	ENGR 2321: Engineering Mechanics: Statics	<i>Edit Course</i> Corrected prerequisites to a course that exists; minor updates to outcomes.	C719	Fall 2016
Engineering and Computer Science (ENCS)	ENGR 2322: Engineering Thermodynamics	<i>Edit Course</i> Updated prerequisite error to a course that exists.	C720	Fall 2016
Engineering and Computer Science (ENCS)	ENPH 4330: Math Methods for Physicists and Engineers	<i>Deactivate Course</i> This course is no longer required in the engineering programs.	C895	Fall 2016
Engineering and Computer Science (ENCS)	MEEN 1210: Engineering Computer Aided Design	<i>Deactivate Course</i> The course is being replaced with MEEN 2210.	C1458	Fall 2016
Engineering and Computer Science (ENCS)	MEEN 3300: Measurement System Design	<i>Deactivate Course</i> Replacing course with MEEN 3350	C2994	Fall 2016
Engineering and Computer Science (ENCS)	MEEN 3340: Heat Transfer	<i>Deactivate Course</i> The course is being replaced with MEEN 3440.	C2992	Fall 2016
Social Sciences (SOSC)	HIST 3312: Antebellum America, 1815-1860	<i>Edit Course</i> The history degree requires more WI courses for our majors than are currently designated. Adding the writing designation to HIST 3312 will help address this issue.	C939	Fall 2016
Engineering and Computer Science (ENCS)	MEEN 4310: Mechanical System	<i>Edit Course</i> Edit title to more accurately reflect content; update course description; added lab to allow for application of content; updated prerequisites.	C2993	Fall 2016
Engineering and Computer Science (ENCS)	ENVE 4402: Atmospheric Systems and Air Pollution Control	<i>Deactivate Course</i> Removed the lab from the course.	C759	Fall 2016
Engineering and Computer Science (ENCS)	ENVE 4340: Advanced GIS Applications	<i>Edit Course</i>	C3069	Fall 2016

		Updating prerequisite to go with the GIS initiatives around campus; changing lecture lab structure.		
Engineering and Computer Science (ENCS)	CVEN 2310: Introduction to Civil Engineering	<i>Deactivate Course</i> Replacing with CVEN 2210	C2537	Fall 2016
Engineering and Computer Science (ENCS)	CVEN 2235: Civil Engineering Graphics	<i>Edit Course</i> Updating title to better reflect content beyond building drawing.	C576	Fall 2016
Engineering and Computer Science (ENCS)	ENGR 2324: Engineering Mechanics Dynamics	<i>Edit Course</i> Updating prerequisites.	C2569	Fall 2016
Engineering and Computer Science (ENCS)	ENVE 2411: Soil Mechanics	<i>Deactivate Course</i> Replacing with ENVE 2311; dropped lab.	C901	Fall 2016
Engineering and Computer Science (ENCS)	MEEN 3320: Applied Thermodynamics	<i>Deactivate Course</i> Updating curriculum and course is no longer needed.	C2997	Fall 2016
Engineering and Computer Science (ENCS)	CVEN 3401: Structural Analysis	<i>Deactivate Course</i> The course is being replaced with CVEN 3301.	C2540	Fall 2016
Engineering and Computer Science (ENCS)	ENVE 2310: Introduction to Environmental Engineering	<i>Edit Course</i> Updating title and prerequisites.	C900	Fall 2016
Engineering and Computer Science (ENCS)	ENVE 4420: Water and Waste Water Treatment	<i>Edit Course</i> Editing title, updating prerequisites and removing HYDR cross list.	C761	Fall 2016
Engineering and Computer Science (ENCS)	ENVE 3400: Fluid Mechanics	<i>Edit Course</i> Editing title to align with title most often used in Civil, Mechanical and Environmental programs. Minor update to description to enable cross list with MEEN 3400. Removed HYDR cross list.	C755	Fall 2016
Engineering and Computer Science (ENCS)	MEEN 3314: Signals and Systems	<i>Edit Course</i> Updated prerequisite and cross list to ELEN from ENPH.	C3003	Fall 2016
Engineering and Computer Science (ENCS)	MEEN 3410: Materials and Manufacturing Processes	<i>Deactivate Course</i> Course is being replaced by MEEN 3310.	C2991	Fall 2016
Engineering and Computer Science (ENCS)	ELEN 3350: Communications Theory	<i>Deactivate Course</i> Changing course from a 3000 level course to a 4000 level.	C935	Fall 2016
Engineering and Computer Science (ENCS)	ELEN 3446: Electronics II	<i>Deactivate Course</i> Changing course from a 3000 level course to a 4000 level.	C2507	Fall 2016
Social Work (SWK)	SOCW 3306: Social Welfare Policy	<i>Edit Course</i> Editing prerequisite.	C1817	Fall 2016
Fine Arts (FNRT)	FASH 2302: Apparel Development II	<i>Deactivate Course</i> Course is no longer needed.	C2810	Fall 2016
Fine Arts (FNRT)	FASH 3307: Fashion Promotion	<i>Deactivate Course</i> Course is no longer needed.	C2816	Fall 2016

Engineering and Computer Science (ENCS)	HYDR 1310: Introduction to Hydrology	<i>Deactivate Course</i> Course is no longer needed.	C1150	Fall 2016
Engineering and Computer Science (ENCS)	HYDR 2411: Soil Mechanics	<i>Deactivate Course</i> Course is no longer needed.	C1151	Fall 2016
Engineering and Computer Science (ENCS)	HYDR 3311: GIS in Water Resources	<i>Deactivate Course</i> Course is no longer needed.	C1153	Fall 2016
Engineering and Computer Science (ENCS)	HYDR 3400: Mechanics of Fluids	<i>Deactivate Course</i> Course is no longer needed.	C1154	Fall 2016
Engineering and Computer Science (ENCS)	HYDR 3410: Basic Hydrology	<i>Deactivate Course</i> Course is no longer needed.	C1391	Fall 2016
Engineering and Computer Science (ENCS)	HYDR 3420: Groundwater Hydrology	<i>Deactivate Course</i> Course is no longer needed.	C1156	Fall 2016
Engineering and Computer Science (ENCS)	HYDR 4086: Hydrology Problems	<i>Deactivate Course</i> Course is no longer needed.	C1157	Fall 2016
Engineering and Computer Science (ENCS)	HYDR 4088: Undergraduate Research Project	<i>Deactivate Course</i> Course is no longer needed.	C1158	Fall 2016
Engineering and Computer Science (ENCS)	HYDR 4103: Water Resources Engineering	<i>Deactivate Course</i> Course is no longer needed.	C1159	Fall 2016
Engineering and Computer Science (ENCS)	HYDR 4140: Internship	<i>Deactivate Course</i> Course is no longer needed.	C1160	Fall 2016
Engineering and Computer Science (ENCS)	HYDR 4204: Water Supply & Waste Water Treatment	<i>Deactivate Course</i> Course is no longer needed.	C1162	Fall 2016
Engineering and Computer Science (ENCS)	HYDR 4310: Water Resources Engineering	<i>Deactivate Course</i> Course is no longer needed.	C1163	Fall 2016
Engineering and Computer Science (ENCS)	HYDR 4330: Texas Water Resource Management	<i>Deactivate Course</i> Course is no longer needed.	C1164	Fall 2016
Engineering and Computer Science (ENCS)	HYDR 4350: Modeling in Hydrology	<i>Deactivate Course</i> Course is no longer needed.	C1165	Fall 2016
Engineering and Computer Science (ENCS)	HYDR 4420: Municipal and Industrial Water Supply and Waste Water Treatment	<i>Deactivate Course</i> Course is no longer needed.	C1168	Fall 2016
Nursing (NURS)	NURS 4303: Nursing in the United Kingdom	<i>Edit Course</i> Editing the course description.	C1597	Fall 2016
Engineering Technology (ENTE)	CNST 3320: Construction Safety Management	<i>Edit Course</i> Editing prerequisite.	C2554	Fall 2016
Engineering Technology (ENTE)	CNST 4310: Site & Building Foundation	<i>Edit Course</i> Editing prerequisite.	C2556	Fall 2016

Engineering Technology (ENTE)	CNST 4323: Construction Estimating	<i>Edit Course</i> Editing prerequisite.	C2559	Fall 2016
Engineering Technology (ENTE)	CNST 4325: Contract Administration	<i>Edit Course</i> Editing prerequisite.	C2560	Fall 2016
Engineering Technology (ENTE)	ENGT 3301: Applied Dynamics	<i>Edit Course</i> Updated the course description. Changed the lecture hours and the lab hours.	C2479	Fall 2016
Engineering Technology (ENTE)	ENGT 3305: Machine Design	<i>Edit Course</i> Edited the course description and the prerequisites.	C2210	Fall 2016
Engineering Technology (ENTE)	ENGT 3313: Mechanics of Materials	<i>Edit Course</i> Edited course title, course description and prerequisites.	C2389	Fall 2016
Engineering Technology (ENTE)	ENGT 3385: Fluid Mechanics	<i>Edit Course</i> Edited course description and prerequisites.	C2213	Fall 2016
Engineering Technology (ENTE)	ENGT 4322: Applied Thermodynamics	<i>Edit Course</i> Edited course description and prerequisites.	C2214	Fall 2016
Engineering and Computer Science (ENCS)	CVEN 3405: Design of Structural Elements	<i>Edit Course</i> Updated title to common curricular title; updating prerequisites.	C2541	Fall 2016
Engineering and Computer Science (ENCS)	CVEN 3430: Civil Engineering Materials	<i>Edit Course</i> Updated title and prerequisites.	C2544	Fall 2016
Engineering and Computer Science (ENCS)	CVEN 4325: Foundation Engineering	<i>Edit Course</i> Update prerequisites.	C2545	Fall 2016
Engineering and Computer Science (ENCS)	CVEN 4450: Transportation Engineering	<i>Edit Course</i> Updated prerequisites and lab fee.	C2546	Fall 2016
Engineering and Computer Science (ENCS)	ENVE 3310: Engineering Hydrology	<i>Edit Course</i> Update prerequisites and course title.	C926	Fall 2016
Engineering and Computer Science (ENCS)	MEEN 4420: Thermal-Fluid System Design	<i>Edit Course</i> Minor updates to title, description and prerequisites.	C2995	Fall 2016
Engineering and Computer Science (ENCS)	CVEN 2323: Strength of Materials	<i>Deactivate Course</i> Replaced with CVEN 3423	C3004	Fall 2016
Engineering and Computer Science (ENCS)	ELEN 4443: Linear Control System Design	<i>Edit Course</i> Minor title modification, also added ELEN 3344 as a prerequisite course.	C916	Fall 2016
Animal Science & Veterinary Technology (ASVT)	ANSC 4300: Research and Writing in Animal Science	<i>Edit Course</i> Editing course to enforce in Banner	C172	Fall 2016
Animal Science & Veterinary Technology (ASVT)	ANSC 4306: Animal Nutrition	<i>Edit Course</i> Edited prerequisites to include CHEM 2423.	C158	Fall 2016
Curriculum and Instruction (CUIN)	READ 3384: Literacy for the Middle Years	<i>Edit Course</i> Title changed to more accurately reflect the content of course. Minor change in	C1759	

		description to update to the language of the field. Additional prerequisites added to prevent student self-advising into the wrong courses.		Fall 2016
Curriculum and Instruction (CUIN)	CHFS 3300: Child Development	<i>Edit Course</i> Course description expands to adolescence. Distinguishes the course from TECA 1354 Child Growth and Development.	C436	Fall 2016
Accounting, Finance, and Economics (FAE)	FINC 1307: Personal Finance	<i>Edit Course</i> Changing the course prefix to align with the correct department and common course numbering system.	C366	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 2320: Life Cycle Nutrition	<i>Deactivate Course</i> This course is being replaced with WSES 3321.	C2464	Fall 2016
Management (MGMT)	ADMS 1305: Intermediate Keyboarding	<i>Edit Course</i> Removing the lab requirement.	C74	Fall 2016
Management (MGMT)	ADMS 3315: Word Processing	<i>Edit Course</i> Removing the lab requirement.	C76	Fall 2016
Management (MGMT)	ADMS 3316: Advanced Word Processing	<i>Edit Course</i> Removing the lab requirement.	C77	Fall 2016
Animal Science & Veterinary Technology	AGRI 1319: General Animal Science	<i>Deactivate Course</i> Course is being replaced with ANSC 1419.	C114	Fall 2016
Ag & Environmental Services (AGSD)	AGSD-BS: The Bachelor of Science Degree in Agricultural Services and Development	<i>Edit Program</i> Correcting the credit hours discrepancy in the HORT concentration.	P30	Fall 2016
Animal Science & Veterinary Technology	ANSC 2313: Horse Psychology and Training	<i>Deactivate Course</i> The course is being restructured as a junior-level course.	C186	Fall 2016
Animal Science & Veterinary Technology	ANSC 2315: Principles of Farrier Science	<i>Edit Course</i> Updating the course description and prerequisites.	C155	Fall 2016
Animal Science & Veterinary Technology	ANSC: 2325: Equine Behavior Modification	<i>Deactivate Course</i> The course is being restructured as a junior-level course.	C250	Fall 2016
Animal Science & Veterinary Technology	ANSC 3325: Equine Exercise Physiology and Conditioning	<i>Edit Course</i> Updated prerequisites and added a lab fee.	C261	Fall 2016
Animal Science & Veterinary Technology	ANSC 4326: Big Game Ecology and Management	<i>Deactivate Course</i> Course is no longer needed.	C174	Fall 2016
Animal Science & Veterinary Technology	ANSC-BS: The Bachelor of Science Degree in Animal Science	<i>Edit Program</i> Added new courses to the degree.	P34	Fall 2016
Accounting, Finance and Economics (FAE)	BUSI 3301: Business Analysis Using Spreadsheets	<i>Edit Course</i> Editing course name. This is a general course that cuts across all the business curriculum. The coordination of the course will stay in Accounting, Finance and Economics, but the designation of the course as a BUSI is more in keeping with the content in the course.	C30	Fall 2016

Engineering and Computer Science (ENCS)	ELEN-BS: Bachelor of Science in Electrical Engineering	<i>Edit Program</i> Updated the curriculum to reflect the expertise of new faculty, improve achievement of ABET student and program outcomes and enhance the preparedness of our graduates for industry and/or graduate school.	C148	Fall 2016
Animal Science & Veterinary Technology (ASVT)	EQSC-CER: Certificate in Equine Science	<i>EDIT Program</i> Removed ANSC 4305 as a required course for the Equine Science certificate to accommodate students that are not ANSC degree-seeking students.	C159	Fall 2016
Fine Arts (FNRT)	FASH 1313: Fashion Illustration	<i>Edit Course</i> Updating prerequisites.	C2811	Fall 2016
Fine Arts (FNRT)	FASH 3309: Fashion Curation & Exhibitions	<i>Edit Course</i> Updating prerequisites.	C2817	Fall 2016
Fine Arts (FNRT)	FASH 3329: New Fashion Ventures	<i>Edit Course</i> Updating prerequisites.	C2820	Fall 2016
Fine Arts (FNRT)	FASH 4302: Seasonal Collection	<i>Edit Course</i> Updating prerequisites.	C2823	Fall 2016
Fine Arts (FNRT)	FASH 4308: Fashion Forecasting	<i>Edit Course</i> Updating prerequisites.	C2822	Fall 2016
Chemistry, Geoscience & Physics (CHGP)	GEOL 1403: Physical Geology	<i>Edit Course</i> The Core Curriculum committee removed the restriction for taking both Physical Geology and Natural Disasters since the curricula has developed and changed.	C917	Fall 2016
Medical Laboratory Science (MLSC)	PBHL 4480: Seminar and Internship in Public Health	<i>Deactivate Course</i> Replacing with PBHL 4080.	C2385	Fall 2016
Social Sciences (SOSC)	POLS-BS: The Bachelor of Science Degree in Political Science	<i>Edit Program</i> Numerous updates and changes were made to address require areas for the standard degree in POLS.	P134	Fall 2016
Curriculum and Instruction (CUIN)	READ 4309: Reading and Writing Across the Curriculum	<i>Edit Course</i> Updating prerequisites to include equivalent courses.	C1800	Fall 2016
Curriculum and Instruction (CUIN)	READ 4310: Implementation of Classroom Reading Instruction	<i>Edit Course</i> Updating prerequisites to include equivalent courses.	C1801	Fall 2016
Social Sciences (SOSC)	SOC-BS: The Bachelor of Science Degree in Sociology	<i>Edit Program</i> RELI 3309 is replacing RELI 2310 as a requirement or the Pre-Ministry Concentration. Updating the requirements in the programs.	P60	Fall 2016
Animal Science & Veterinary Technology (ASVT)	VETE 3112: Strengths Based Leadership	<i>Edit Course</i> Updating prerequisites.	C2319	Fall 2016
Animal Science & Veterinary Technology (ASVT)	VETE 4261: Companion Animal Dermatology	<i>Deactivate Course</i>	C2652	Fall 2016
Animal Science & Veterinary Technology (ASVT)	VETE 4305: Pharmacology & Pharmacy	<i>Edit Course</i> Updating prerequisites.	C2664	Fall 2016

Animal Science & Veterinary Technology (ASVT)	VETE 4311: Safety & Regulatory Compliance	<i>Deactivate Course</i> Replaced with VETE 4111.	C2666	Fall 2016
Animal Science & Veterinary Technology (ASVT)	VETE 4409: Veterinary Technology Capstone	<i>Deactivate Course</i> Revising course numbering and credit hours.	C2685	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 1119: Natural Resource Competition I	<i>Edit Course</i> Course is designed to allow students to repeat as they progress in the skill levels or participate in multiple types of competition.	C2424	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 1315: Introduction to Food Science	<i>Edit Course</i> Editing course title to better align with the course content.	C2422	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 2119: Natural Resource Competition II	<i>Edit Course</i> Course is designed to allow students to repeat as they progress in the skill levels or participate in multiple types of competition.	C2462	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 2405: Ecology for Natural Resource Managers	<i>Edit Course</i> Editing prerequisites to better align with the degree requirements.	C2426	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 3119: Natural Resource Competition III	<i>Edit Course</i> Course is designed to allow students to repeat as they progress in the skill levels or participate in multiple types of competition.	C2498	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 3306: Wildland Plants	<i>Deactivate Course</i>	C2488	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 3323: Ethical Issues in Agriculture and the Natural Resources	<i>Edit Course</i> Adding cross listing with ANSC 3326.	C2531	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 3401: Soils	<i>Edit Course</i> Transition of laboratory component of the course to writing intensive.	C2483	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 4119: Natural Resource Competition IV	<i>Edit Course</i> Course is designed to allow students to repeat as they progress in the skill levels or participate in multiple types of competition.	C2503	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 4185: Seminar in the Natural Resource Sciences	<i>Edit Course</i> Course content changes with each offering. This change is to allow students to participate in multiple seminars with various topics.	C2513	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 4302: Habitat Management	<i>Edit Course</i> Adding a writing intensive designation to the course.	C2489	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 4410: Genomics	<i>Edit Course</i> Course has evolved to include genomics beyond microbes. Change reflects true nature of the course.	C2501	Fall 2016

Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 4684: Internship in the Natural Resource Sciences	<i>Deactivate Course</i>	C2512	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES-BS: The Bachelor of Science Degree in Wildlife, Sustainability and Ecosystem Sciences	<i>Edit Program</i> Concentrations in Food, Nutrition, and Meat Applications; and Agroecology and Sustainable Agriculture are being added. Other concentrations are being modified to take into account course availability.	P149	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES-MINOR: Minor in Ecosystem Science	<i>Edit Program</i> Removed food processing course that was added by mistake.	P150	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES-MINOR: Minor in Plant Conservation	<i>Edit Program</i> Corrected a mistake concerning transition to TCCNS. Removed Food Processing, replaced with Wildland Plants.	P152	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES-MINOR: Minor in Wildlife Management	<i>Edit Program</i> Corrected error related to TCCNS conversion. Food processing has been removed and replaced with wildland plants or dendrology.	P38	Fall 2016
Nursing (NURS)	NURS-BS: The Bachelor of Science Degree in Nursing (BSN)	<i>New Program</i> This concentration extends the undergraduate nursing program to the Waco Outreach Campus. And offers an entry to the BSN program to nurses who are Licensed Vocational Nurses (LVN).	P91	Fall 2016

**Agenda Item #3:** Non-consent: Department of Accounting, Finance and Economics (FAE)

Department	Program/Course	Change Request	Item No.	Effective Term
Accounting, Finance and Economics (FAE)	ECON 4311: Introduction to Econometrics and Forecasting	<i>New Course</i> Econometrics is a necessary tool within the discipline of economics.	C3226	Fall 2016

**Agenda Item #4:** Non-consent: Department of Agricultural and Consumer Sciences (AGCS)

Department	Program/Course	Change Request	Item No.	Effective Term
Agricultural and Consumer Sciences (AGCS)	HES-BAAS: Horticulture and Environmental Studies	<i>New Program</i> The new program will extend recruiting to all two year HORT programs in the state and additionally to the environmental studies emphasis areas which are increasingly popular with large student populations.	P185	Fall 2016
Agricultural and Consumer Sciences (AGCS)	AGSD 4185: Seminar	<i>New Course</i> This is the same as the existing AGSD 4085 that is being deactivated in order to eliminate the variable credit. This will simplify the degree credit inventory.	C3228	Fall 2016

**Agenda Item #5:** Non-consent: Department of Animal Science and Veterinary Technology (ASVT)

Department	Program/Course	Change Request	Item No.	Effective Term
Animal Science and Veterinary Technology (ASVT)	ANSC 1202: Barbeque Science	<i>New Course</i> This course is designed as an introduction to the science of meat preparation, incorporating food quality and safety, ingredients and flavors, cooking techniques, cut selection and consumer preferences.	C3294	Fall 2016
Animal Science and Veterinary Technology (ASVT)	ANSC 1419: General Animal Science	<i>New Course</i> The course will replace AGRI 1319.	C3309	Fall 2016
Animal Science and Veterinary Technology (ASVT)	ANSC 2101: Animal Science Industry	<i>New Course</i> This course will expose students to the variety of opportunities and careers in ANSC so that they can choose the proper concentration and course sequence during their junior year to fit their career objectives. This will be required for all ANSC concentrations.	C3201	Fall 2016
Animal Science and Veterinary Technology (ASVT)	ANSC 2350: Anatomy and Physiology of Domestic Animals	<i>New Course</i> Currently this course is being taught as a senior-level class. This course should be offered as a lower-level class and taken prior to upper-level animal science courses. This course will replace ANSC 4305.	C3251	Fall 2016
Animal Science and Veterinary Technology (ASVT)	ANSC 3323: Ethical Issues in Agriculture and the Natural Resources	<i>New Course</i> The new course was needed as a cross list for existing course WSES 3323.	C3301	Fall 2016
Animal Science and Veterinary Technology (ASVT)	ANSC 3326: Horse Psychology and Training	<i>New Course</i> An upper-division classification course is needed.	C3298	Fall 2016
Animal Science and Veterinary Technology (ASVT)	ANSC 3335: Equine Behavior Modification	<i>New Course</i> An upper-division classification course is needed.	C3299	Fall 2016
Animal Science and Veterinary Technology (ASVT)	ANSC 3424: Equine Nutrition	<i>New Course</i> This course is replacing ANSC 3324. This is an upper-division production course that requires a level of competency in introductory equine science.	C3229	Fall 2016
Animal Science and Veterinary Technology (ASVT)	ANSC 4314: Food Quality Assurance	<i>New Course</i> This course will enhance the undergraduate degree program currently being developed for students that show an interest in the meat/food science industry.	C3290	Fall 2016
Animal Science and Veterinary Technology (ASVT)	ANSC 4338: Value-Added Processed Meats	<i>New Course</i> This course will enhance the undergraduate degree program currently being developed for students that show interest in the meat/food science industry. Value-added processed meats	C3291	Fall 2016

		is at the forefront in agricultural food animal industries.		
Animal Science and Veterinary Technology (ASVT)	ANSC 4440: Sustainable Livestock Systems	<i>New Course</i> This will be a capstone course for the ANSC major.	C3295	Fall 2016
Animal Science and Veterinary Technology (ASVT)	VETE 4164: Shelter Animal Medicine II	<i>New Course</i> New course needed as a recalculation of elective hours and allow campus wide enrollment.	C3140	Fall 2016
Animal Science and Veterinary Technology (ASVT)	VETE 4165: Shelter Animal Medicine III	<i>New Course</i> New course needed as a recalculation of elective hours and allow campus wide enrollment.	C3141	Fall 2016
Animal Science and Veterinary Technology (ASVT)	VETE 4167: Veterinary Forensics II	<i>New Course</i> New course needed as a recalculation of elective hours and allow campus wide enrollment.	C3143	Fall 2016
Animal Science and Veterinary Technology (ASVT)	VETE 4168: Veterinary Forensics III	<i>New Course</i> New course needed as a recalculation of elective hours and allow campus wide enrollment.	C3144	Fall 2016
Animal Science and Veterinary Technology (ASVT)	VETE 4169: Veterinary Forensics IV	<i>New Course</i> New course needed as a recalculation of elective hours and allow campus wide enrollment.	C3145	Fall 2016
Animal Science and Veterinary Technology (ASVT)	VETE 4181: Veterinary Practice: Law & Ethics I	<i>New Course</i> Course needed to align with the renaming of the concentration and adjust credit hours for the eight week course.	C3150	Fall 2016
Animal Science and Veterinary Technology (ASVT)	VETE 4182: Veterinary Practice: Law & Ethics II	<i>New Course</i> Course needed to align with the renaming of the concentration and adjust credit hours for the eight week course.	C3151	Fall 2016
Animal Science and Veterinary Technology (ASVT)	VETE 4208: Veterinary Research	<i>New Course</i> Course needed to meet the minimum educational requirements of the American Veterinary Medical Association for accreditation of the Veterinary Technology Program.	C3088	Fall 2016
Animal Science and Veterinary Technology (ASVT)	VETE 4209: Veterinary Technology: Capstone	<i>New Course</i> Replaces VETE 4409.	C3153	Fall 2016
Animal Science and Veterinary Technology (ASVT)	VETE 4259: Companion Animal Dermatology	<i>New Course</i> Synchronizing course numbering with the retitling of the course.	C3152	Fall 2016
Animal Science and Veterinary Technology (ASVT)	VETE 4260: Companion Animal Ophthalmology	<i>New Course</i> Course needed to meet the minimum educational requirements of the American Veterinary Medical Association for accreditation of the Veterinary Technology Program.	C3084	Fall 2016
Animal Science and Veterinary Technology (ASVT)	VETE 4355: Veterinary Practice: Supervision and Leadership	<i>New Course</i> Course needed to meet the minimum educational requirements of the American	C3083	Fall 2016

**Agenda Item #6:** Non-consent: Department of Curriculum and Instruction (CUIN)

Department	Program/Course	Change Request	Item No.	Effective Term
Curriculum and Instruction (CUIN)	CHFS 3310: Methodology of Family Life Education	<i>New Course</i> The new course moves the Child and Family Studies toward a standalone degree, BS in CHFS with several certificate options.	C3218	Fall 2016
Curriculum and Instruction (CUIN)	CHFS 3315: Concept Development in Early Childhood	<i>New Course</i> The new course is needed to begin the steps to move the BS Child and Family Studies to a stand-alone BS CFST degree with options for certificates related to Child and Family Studies.	C3216	Fall 2016
Curriculum and Instruction (CUIN)	CHFS 4350: Policies and Ethical Standards	<i>New Course</i> The new course is needed to begin the steps to move the BS Child and Family Studies to a stand-alone BS CFST degree with options for certificates related to Child and Family Studies.	C3217	Fall 2016

**Agenda Item #7:** Non-consent: Department of Chemistry, Geoscience and Physics (CHGP)

Department	Program/Course	Change Request	Item No.	Effective Term
Chemistry, Geoscience and Physics (CHGP)	EASC 2451: Introduction to Geographic Information Systems	<i>New Course</i> The new course replaces GEOG 2320 and will be cross listed with GEOG 2451.	C3246	Fall 2016
Chemistry, Geoscience and Physics (CHGP)	ENVS 2451: Introduction to Geographic Information Systems	<i>New Course</i> Course was created to be a cross listed course with GEOG 2451.	C3247	Fall 2016

**Agenda Item #8:** Non-consent: Department of Engineering and Computer Science (ENCS)

Department	Program/Course	Change Request	Item No.	Effective Term
Engineering and Computer Science (ENCS)	CVEN-BS: Bachelor of Science in Civil Engineering	<i>Edit Program</i> Updating curriculum to reflect the expertise of new faculty; ABET has rigorous and numerous program outcomes and curricular requirements for CVEN; this will improve achievement of ABET student and program outcomes, and enhance the preparedness of our graduates for industry and/or graduate school	P156	Fall 2016
Engineering and Computer Science (ENCS)	CVEN 2210: Introduction to Civil Engineering	<i>New Course</i> This new course replaces CVEN 2310; dropping by 1 hour to make room for other needed content and updating prerequisites.	C3269	Fall 2016
Engineering and Computer Science (ENCS)	CVEN 3301: Structural Analysis	<i>New Course</i> This new course replaces CVEN 3401; dropping lab by one hour; minor update to course description from "using...software" to "using software such as..."	C3274	Fall 2016

Engineering and Computer Science (ENCS)	CVEN 3423: Strength of Materials	<i>New Course</i> Replaces CVEN 2323 in the curriculum; updated description to reflect application; updated level to reflect the level of student by hours in the course; added lab.	C3270	Fall 2016
Engineering and Computer Science (ENCS)	ELEN 3310: Power Systems Engineering	<i>New Course</i> This new course will replace PHYS 3334 in ELEN curriculum and is more relevant to the content and industry constituent needs.	C3284	Fall 2016
Engineering and Computer Science (ENCS)	ELEN 3320: Engineering Analysis Techniques	<i>New Course</i> Replacing COSC 3344 in the engineering curricula.	C3267	Fall 2016
Engineering and Computer Science (ENCS)	ELEN 4350: Communication Systems Theory	<i>New Course</i> Changing existing course from 3000 level to 4000 level.	C3282	Fall 2016
Engineering and Computer Science (ENCS)	ELEN 4355: Digital Signal Processing	<i>New Course</i> Updating ELEN content to reflect expertise of new faculty and enhance preparation for industry and/or graduate programs, and replaces other hours removed in the curriculum.	C3276	Fall 2016
Engineering and Computer Science (ENCS)	ELEN 4446: Electronics II	<i>New Course</i> Changing existing course from 3000 level to 4000 level.	C3283	Fall 2016
Engineering and Computer Science (ENCS)	ENGR 2451: Introduction to Geographic Information Systems	<i>New Course</i> Course is created to be a cross-listed course with GEOG 2451.	C3244	Fall 2016
Engineering and Computer Science (ENCS)	ENGR 3255: Engineering Management	<i>New Course</i> The new course will offer integral content to deepen the professional component of engineering curricula. It allows programs to address and assess related ABET accreditation criteria (e.g. 3f,h,i,j) and FE Exam content.	C3214	Fall 2016
Engineering and Computer Science (ENCS)	ENGR 3311: Engineering Mathematical Methods	<i>New Course</i> These mathematical topics are commonly used in most engineering curricula; this course will allow coverage of the necessary topics in the context of engineering solutions. This course is replacing MATH 3311.	C3254	Fall 2016
Engineering and Computer Science (ENCS)	ENGR 4259: Engineering Innovation and Design	<i>New Course</i> This course is replacing the senior seminar previously used as part 1 of the senior capstone experience. The content will strengthen the context of their design and provide deeper coverage of design and impact related ABET criteria and FE components.	C3253	Fall 2016
Engineering and Computer Science (ENCS)	ENVE 2311: Soil Mechanics	<i>New Course</i> Replacing ENVE 2411; dropping by 1 hour to accommodate extra hour in ENGR 2451 (Intro to GIS).	C3271	Fall 2016
Engineering and Computer Science (ENCS)	ENVE 2450: Environmental Biotechnology	<i>New Course</i> The new course will improve coverage of ABET program criteria and align content with new faculty expertise.	C3263	Fall 2016

Engineering and Computer Science (ENCS)	ENVE 4302: Atmospheric Systems and Air Pollution Control	<i>New Course</i> Course is currently ENVE 4402, removing lab hour and creating a new course.	C3268	Fall 2016
Engineering and Computer Science (ENCS)	MEEN 2210: Engineering Computer Aided Design	<i>New Course</i> The course is replacing MEEN 1210; slight modification to the description to include analysis, simulation and 3D printing. Changed to 2xxx level to align with position in the ME curriculum.	C3255	Fall 2016
Engineering and Computer Science (ENCS)	MEEN 3310: Design for Manufacturing and Assembly	<i>New Course</i> This new course was developed as part of the new Mechanical Engineering program curriculum given the expertise of the new faculty. Replacing MEEN 3410.	C3213	Fall 2016
Engineering and Computer Science (ENCS)	MEEN 3350: Measurement System Design	<i>New Course</i> The course replaces MEEN 3300 in order to be able to cross list MEEN 3400 with ENVE 3400	C3256	Fall 2016
Engineering and Computer Science (ENCS)	MEEN 3400: Fluid Mechanics	<i>New Course</i> Course is needed in order to cross list with ENVE 3400.	C3277	Fall 2016
Engineering and Computer Science (ENCS)	MEEN 3440: Heat Transfer	<i>New Course</i> The new course replaces MEEN 3340, lab content was needed.	C3257	Fall 2016
Engineering and Computer Science (ENCS)	MEEN 4300: Analysis of Alternative Energy Sources	<i>New Course</i> Refining the Mechanical Engineering curriculum based on new expertise adds breadth and coverage of ABET criteria related to contemporary issues and impact of design.	C3000	Fall 2016
Engineering and Computer Science (ENCS)	MEEN 4425: Electromechanical System Design	<i>New Course</i> This course replaces MEEN 3300	C3258	Fall 2016

**Agenda Item #9:** Non-consent: Department of Fine Arts (FNRT)

Department	Program/Course	Change Request	Item No.	Effective Term
Fine Arts (FNRT)	DIGM-MINOR: Digital Media Studies	<i>New Program</i> The creation of a prescribed minor in Digital Media Studies will help ensure that students take both foundation and supporting courses in the field.	P204	Fall 2016
Fine Arts (FNRT)	FASH-MINOR: Fashion Studies	<i>New Program</i> There is interest in a fashion studies minor due to the exposure fashion has in the media.	P191	Fall 2016
Fine Arts (FNRT)	DRAM 1100: Transitioning to University Studies in Theatre	<i>New Course</i> First year seminar developed to address first year retention efforts, Texas Core Curriculum Guidelines and the THECB requirements.	C3222	Fall 2016
Fine Arts (FNRT)	FASH 2305: Fashion Research and Design	<i>New Course</i> This new course is needed to complete the degree.	C3225	Fall 2016

**Agenda Item #10:** Non-consent: Department of Leadership and Strategic Studies (LDSS)

Department	Program/Course	Change Request	Item No.	Effective Term
------------	----------------	----------------	----------	----------------

Leadership and Strategic Studies (LDSS)	LDRS-MINOR: Minor in Leadership Studies	<i>New Program</i> The 18 hour curriculum prepares students to be effective industry, community, organization and military leaders. This minor complements the applied learning experience aspect of cadet life within the Tarleton Corps of Cadets program.	P200	Fall 2016
Leadership and Strategic Studies (LDSS)	LDRS 1201: Basics of Self-Leadership and Staff Work	<i>New Course</i> This course is one of several new courses required for the minor in Leadership Studies offered by the new Department of Leadership & Strategic Studies.	C3202	Fall 2016
Leadership and Strategic Studies (LDSS)	LDRS 1202: Leadership and the Humanities	<i>New Course</i> This course is one of several new courses required for the minor in Leadership Studies offered by the new Department of Leadership & Strategic Studies.	C3203	Fall 2016
Leadership and Strategic Studies (LDSS)	LDRS 2301: Foundations of Leadership	<i>New Course</i> This course is one of several new courses required for the minor in Leadership Studies offered by the new Department of Leadership & Strategic Studies.	C3204	Fall 2016
Leadership and Strategic Studies (LDSS)	LDRS 2302: Elements of Leading Teams	<i>New Course</i> This course is one of several new courses required for the minor in Leadership Studies offered by the new Department of Leadership & Strategic Studies.	C3205	Fall 2016
Leadership and Strategic Studies (LDSS)	LDRS 3301: Leadership and Change	<i>New Course</i> This course is one of several new courses required for the minor in Leadership Studies offered by the new Department of Leadership & Strategic Studies.	C3206	Fall 2016
Leadership and Strategic Studies (LDSS)	LDRS 3302: Leadership and Ethics	<i>New Course</i> This course is one of several new courses required for the minor in Leadership Studies offered by the new Department of Leadership & Strategic Studies.	C3209	Fall 2016
Leadership and Strategic Studies (LDSS)	LDRS 4108: Leadership Studies Capstone	<i>New Course</i> This course is one of several new courses required for the minor in Leadership Studies offered by the new Department of Leadership & Strategic Studies.	C3211	Fall 2016
Leadership and Strategic Studies (LDSS)	LDRS 4086: Independent Study	<i>New Course</i> This course is one of several new courses required for the minor in Leadership Studies offered by the new Department of Military & Strategic Studies.	C3210	Fall 2016

**Agenda Item #11:** Non-consent: Department of School of Criminology, Criminal Justice and Strategic Studies (CCJS)

Department	Program/Course	Change Request	Item No.	Effective Term
School of Criminology, Criminal Justice and Strategic Studies (CCJS)	ADRI 4341: Mediation-Methods of Dispute Resolution	<i>New Course</i> This new course is a basic mediation course that should appeal to students across many disciplines and colleges. It provides the	C3195	Fall 2016

**Agenda Item #12: Non-consent: Department of Wildlife, Sustainability and Ecosystem Sciences (WSES)**

Department	Program/Course	Change Request	Item No.	Effective Term
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 3309: Aquaponics	<i>New Course</i> This course will add to our sustainability offerings and also respond to significant student interest in fisheries and aquaculture.	C3200	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 3386: Human Dimensions of Fish and Wildlife Management	<i>New Course</i> This course addresses a deficiency in the wildlife course of study.	C3198	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 4407: Fermentation and Brewing	<i>New Course</i> This course will expand our course inventory and support our sustainability curriculum.	C3243	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 2451: Introduction to Geographic Information Systems	<i>New Course</i> Course is created to be a cross-listed course with GEOG 2451.	C3245	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 3314: Honey Production and Pollinator Ecology	<i>New Course</i> This course will contribute to existing program in sustainability, and the proposed concentrations in agroecology and sustainable agriculture.	C3292	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 3319: Composting	<i>New Course</i> This course has been taught as a topics course in the past, and will contribute to the Sustainability and Agro ecology concentrations.	C3289	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 3321: Life Cycle Nutrition	<i>New Course</i> This new course is needed to change the existing WSES 2320 - Life Cycle Nutrition course to a 3XXX course. Most Life Cycle Nutrition courses are taught at the 3000 level. This change will bring it in line with other courses, making the Food and Nutrition program more competitive and consistent.	C3305	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 3406: Wildland Plant Identification and Ecology	<i>New Course</i> This course is being made into a 4-hour course to provide an alternative to BIOL 3415 for WSES students.	C3293	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 3408: Dendrology and Woody Plant Identification	<i>New Course</i> This new course will add to the WSES course offerings and relieve pressure on WSES 3306 by giving students an alternative plant identification course. It will also add a course for students interested in plant community management, habitat management, and rangeland ecology.	C3199	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 4304: Population Genetics	<i>New Course</i> This course provides students with knowledge of a state-of-the-art field in wildlife conservation, complements existing course	C3196	Fall 2016

		offerings, and addresses a traditionally underrepresented discipline.		
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 4315: Medical Nutrition Therapy	<i>New Course</i> This course contributes to the new concentration in Food and Nutrition Science in the BS in WSES.	C3300	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 4323: Vegetable Production	<i>New Course</i> This course has been taught as a topics course in the past, and will contribute to the Sustainability and Agro ecology concentrations.	C3288	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES 4324: Organic Agriculture	<i>New Course</i> This course will add to our existing inventory in support of our crop science and sustainability curricula.	C3287	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES-MINOR: Minor in Crop Science	<i>New Program</i> This minor fulfills a need in preparing students for jobs in agronomy and crop science.	P184	Fall 2016
Wildlife, Sustainability and Ecosystem Sciences (WSES)	WSES-MINOR: Minor in Natural Resource Ecology	<i>New Program</i> This minor fulfills a need in preparing students for jobs in natural resource conservations.	P183	Fall 2016

**Agenda Item #13:** TCCNS Alignment

**Agenda Item #14:** Other Items
