

2010-2011 TMATE Cohort Calendar

The TMATE program operates on a yearly cycle with one **application deadline, March 31.**

All applicants must complete the content area TExES prior to the summer courses. In some instances, a pre-test is available.

The [Tarleton State University Catalog](#) calendar provides information for applicants needing additional coursework to qualify for entry into the program. Applicants may be admitted pending completion of courses during the spring semester.

Interview dates are listed as TBA and you will receive information after they are scheduled. All dates may be subject to change.
