

FRIENDS OF THE LIBRARY

Board of Directors meeting June 1, 1998.

Those present for the meeting were Patricia McClanahan, Nedra Maddox, Mary Ann Westbrook, Glenda Stone, and Ann Albrecht.

Those absent from the meeting were Dennis Jones, Ivy Lou Cleveland, Ken Jones, Pat Cockerell, Mary Ann Lipford, Frank Ewell and Mike Moser.

Since there were more absent than were present, President Ann Albrecht stated that we did not have enough present to vote on anything. The business meeting was postponed until June 22, 1998. Ann set the July meeting as July 20, 1998 in the hopes that it will be easier on the members to meet on the third Monday.

Ann stated that she was hoping at the June 1 meeting to set up a committee that would come up with an idea of how to spend the money in the Friends' budget. Ann hopes to get the committee set up at the June 22 meeting.

The members present on June 1 also discussed the Book Sale and the possibility of having a two-day Book Sale instead of just one day. The members discussed whether the two days would be Saturday and Sunday or Friday and Saturday. The consensus of those present seemed to be that Friday and Saturday might draw in a better cross population for the sale. Glenda Stone asked Nedra Maddox and Patricia McClanahan to help her with the sale.

Ann Albrecht, President, had hoped to have a summer activity in place by the June 1 meeting. Glenda Stone is still having trouble making contact with the people she needs to talk with at Stephenville Public Library. Ann decided to call off a summer activity for Summer 1998. If the Public Library gets back to Glenda with an idea, then we could plan it for fall or spring or do it Summer 1999.

The Public Relations Committee already have a date set for the next Dinner In the Stacks, October 17. They already have a speaker lined up for the Halloween theme; Alana Martin to speak on mysteries.

Ann said that Dennis Jones will do a Summer Newsletter and they will focus on information about the committees with a tear off sheet to be sent back to the Friends with committee interests noted.

The suggestion was made that Dennis Jones and Ann Albrecht could set up an email distribution list to email members to remind them of the June 22 meeting. Dennis and Ann could use Fax or a phone call for those without email accounts.
