“Elvis: Back in the Stacks”

Saturday, March 31, 2007

Appetizers 6:30 P.M.
Dinner 7:00 P.M.

Back again, for what is certain to be a fun-filled evening, **Ed Tober & the Hamiltones** will present *“Elvis: Back in the Stacks”*: three sets of songs spanning the career of Elvis Presley from the 50’s “rocker” years to the 60’s “movie star” years to the 70’s “live in Vegas” years. Also returning is the **Elvis Fan Club and Literary Society**—Marilyn Robitaille, Jeanelle Barrett, Mallory Young, and Benni Konvicka—highlighting the sets with Elvis bio, poetry, and humor. Rumor also has it that the special “guest Elvii” scheduled to appear include Mark Shipman, Moumin Quazi, Irma Harrington, and Benni Konvicka.

Come join us for an evening of fun, entertainment, and fellowship!
(Come dressed in “period” attire if you wish!)
