

Tarleton State University

2009-2010 Request to Complete College-Level Mathematics Placement Examination

Section 1: To be completed by Student

Student Name: _____ Tarleton ID#: _____

I have credit for high school-level Trigonometry or Precalculus? YES NO

I attest that the above information is accurate.

Student Signature _____ Date: _____

Section 2: To be completed by Academic Advisor

Advisor Name: _____ Department _____

Check **one (1)** only:

_____ I recommend that the above student be permitted to complete the **Advanced Algebra Placement** test because the student:

- (a) is eligible for initial enrollment into college-level mathematics,
- (b) does **not** report credit for high school-level Trigonometry or Precalculus, and
- (c) does **not** have prior credit for MATH 107 (TCCNS = MATH 1314).

_____ I recommend that the above student be permitted to complete the **Calculus Readiness Placement** test because the student:

- (a) is eligible for initial enrollment into college-level mathematics,
- (b) reports credit for high school-level Trigonometry or Precalculus, and
- (c) does **not** have prior credit for MATH 107 (TCCNS = MATH 1314).

_____ I recommend that the above student be permitted to complete the **Trigonometry Placement** test because the student:

- (a) reports credit for high school-level Trigonometry or Precalculus, and
- (b) has prior credit for MATH 107 (TCCNS = MATH 1314).

I have reviewed the "2009-2010 Placement and Continuing Enrollment Rules for Freshman-Level Mathematics and English Courses" with the above student.

Advisor's Signature _____ Date: _____

Section 3: To be completed by University Testing (Mathematics Building, Room 201)
