# **Preliminary Online and Two-Way Interactive Video Enrollment Analysis**

**Fall 2005**

This report presents preliminary uncertified online and two-way interactive video student enrollment for the fall 2005 semester. The report contains uncertified 12<sup>th</sup> class day data. One major goal of this publication is to provide the university community with an early view of the characteristics of students enrolled in these classes for the fall semester.

Due to the extraction of the data early in the semester, some data anomalies may exist. After the Texas Higher Education Coordinating Board certifies Tarleton's fall enrollment, the fall fact book will report final certified statistics for the semester.

If you have suggestions for improving this report, please contact the Office of Planning, Evaluation, and Institutional Research at 968-9354.
