System Campus Carry Implementation Schedule

a) By August 1, 2015, the A&M System will provide a rule template to facilitate the development of member rules. (Complete)

b) From August 1, 2015-December 1, 2015, member CEOs will consult with students, faculty, and staff as required by 3(b) to determine potential locations where concealed handguns may be prohibited.

c) From December 1, 2015-February 1, 2016, each member will prepare a rule for CEO approval and submission to the System Offices no later than the deadline in 4(d).

d) February 1, 2016 is the deadline by which each member rule must be submitted to the A&M System Policy Office.

e) February 1, 2016-March 1, 2016. The A&M System Policy Office will submit each member rule for Office of General Counsel review and Chancellor approval. Any recommended revisions will be presented to the System member for concurrence or further revision as proposed by the member.

f) March 1, 2016-March 31, 2016. The System Offices will prepare an agenda item for the review or amendment of the member concealed carry rules. The item will be reviewed by the Office of General Counsel, approved by the Chancellor, and signed by each member CEO.

g) April 1, 2016 or applicable Board Office agenda item deadline. The A&M System Policy Office will submit the final, executed agenda item and member rules to the Board Office for inclusion into the meeting materials for the April/May 2016 Board meeting.

h) Late April/early May 2016 Board meeting. The A&M System Board of Regents will review the member rules as discussed in 3(b) above.

i) May 2016-July 31, 2016. Each System member will make all necessary implementation preparations in order for the concealed carry rules to become effective on August 1, 2016. This includes posting effective notice under Tex. Penal Code § 30.06 with respect to any premises on which concealed carry is prohibited and, if applicable, making sufficient preparations for the storage of handguns in campus dormitories.

j) August 1, 2016. The Act and member rules become effective. Also, the A&M System weapons regulations will be revised to conform to the Act’s requirements.

k) September 1, 2016 (and September 1 of each even-numbered year). Each System member must submit a report to legislature describing member concealed carry rules and explaining the reasons for establishing the rules.
