### Check All that Apply

I have a bachelor's, master's, or doctoral degree in a STEM field from a SEVP certified school. To see the eligible programs click here:

<https://www.ice.gov/sites/default/files/documents/stem-list.pdf>

I have been granted and am currently in Optional Practical Training (OPT).

My employer is registered in the E-Verify program.

I have not already participated in the STEM OPT extension at this degree level.

I have not already participated in the STEM OPT extension twice.

**All of the above must be true to qualify for the STEM OPT Extension. If you qualify, you may request the STEM OPT 24-month Extension.**

Complete the Form I-983 with your employer. Submit this document along with a Form I-983 to [immigration@tarleton.edu](mailto:immigration@tarleton.edu). You can find the Form I-983 by following this link <https://www.ice.gov/doclib/sevis/pdf/i983.pdf>. After a DSO has reviewed these forms, you will be issued a new Form I-20 with a request for the STEM extension.
