DEPARTMENTAL ADVISOR:

I understand that regulations affecting F-1 international students require them to be enrolled in a full course of study and that this applies to the summer semester if it is the semester of entry. I have reviewed this student's selected program and can guarantee that the student can meet the full course of study requirement (Undergraduate – 7 hours, Graduate – 6 hours; only 3 online hours can count towards full time enrollment) during the summer semester. To the best of my knowledge, this student will be able to handle the increased academic demands of taking a full course of study during the summer. I, therefore, authorize the above potential applicant to apply to their desired degree program for the summer semester.

- I will be required to meet this full time enrollment each Fall and Spring semester throughout the program unless authorized by a Designated School Official (DSO) to drop below a full course load.
