

U.S. Provider's Living Expenses Affidavit

Student's Name: _____ UIN: _____

To demonstrate the ability to provide room and meals for a student applying to Tarleton State University, follow these steps:

1. Complete the U.S. Provider's Living Expenses Affidavit.
2. Attach a copy of the lease, mortgage statement, or deed to the property where the student will be housed. The lease, mortgage statement, or deed must be in the U.S. Provider's name. The lease must be valid **at least until the end of the student's first semester**. In other words, a fall admit must submit a lease that is valid at least until December and a spring admit at least until May of their admission year. An expiring lease will **not** be accepted.
3. Submit both documents to immigration@tarleton.edu.

If approved, this U.S. Provider's Living Expenses Affidavit will substitute for showing evidence of the amount of required funds on the I-20 form for the student's living expenses (i.e., room and board). For more information on these costs, please see the Estimated Cost of Attendance section on <https://www.tarleton.edu/admissions/international/international-applicants.html>.

U.S. Provider's Statement: I hereby affirm that I own, rent, or lease the property described below. I will make room and board available without charge and without services-in-lieu-of-payment to the above-named student for the duration of his/her studies at Tarleton State University. I agree NOT to require any services from the student in return for the promised support of room and board. I understand that it would be a serious violation of law to require domestic work, childcare, or any other kinds of service in return.

Signature of Provider: _____ Date: _____

Room & Board Information	
Provider's Name (Printed):	Relationship of U.S. Provider to Student:
